FORFEITURE ORDER

Adopted: March 1, 2021

Released: March 1, 2021

By the Chief, Audio Division, Media Bureau:

I. INTRODUCTION

1. In this *Forfeiture Order*, we issue a monetary forfeiture in the amount of one thousand, one hundred and twenty-five dollars (\$1,125) to Heritage Media of Kentucky, Inc. (Licensee), licensee of FM Translator Station W280FH, Leitchfield, Kentucky (Station), for willfully violating section 73.3539 of the Commission’s rules (Rules) by failing to timely file a license renewal application for the Station.¹

II. BACKGROUND

1. Section 73.3539(a) of the Rules requires that applications for renewal of license for broadcast stations must be filed “not later than the first day of the fourth full calendar month prior to the expiration date of the license sought to be renewed.”² An application for renewal of the Station’s license should have been filed by April 1, 2020, the first day of the fourth full calendar month prior to the Station’s license expiration date of August 1, 2020.³ The application was not filed until July 27, 2020. The Licensee provided no explanation for its untimely filing of the application.

2. Accordingly, on February 4, 2021, we released the *NAL*, which proposed a forfeiture of one thousand five hundred dollars (\$1,500).⁴ The *NAL* gave the Licensee thirty days to pay the full amount of the proposed forfeiture, or file a written statement seeking reduction or cancellation of the proposed forfeiture.⁵

3. On February 8, 2021, the Licensee submitted a written response in which it does not dispute that it had violated section 73.3539 of the Rules but argues that the proposed forfeiture should be eliminated based on additional factors not explained in the renewal application.⁶ Licensee argues that the Station’s initial license “[w]as granted a mere 13 days prior to the renewal deadline of April 1, 2020 during the initial chaos caused by the Covid-19 pandemic”, that “[d]ue to a clerical error, [the Station] was not included with the timely filed application for renewal of license of its primary rebroadcast station,

WMTL(AM), Leitchfield, KY” and that “in the haste to file the renewal application [for the Station], counsel failed to upload the necessary explanatory exhibit.”⁷ Finally, the Licensee argues that it has a history of compliance with the Rules.⁸

III. DISCUSSION

4. The proposed forfeiture amount in this case was assessed in accordance with section 503(b) of the Communications Act of 1934, as amended (Act),⁹ section 1.80 of the Rules,¹⁰ and the Forfeiture Policy Statement.¹¹ Section 503(b)(2)(E) of the Act requires that the Commission take into account the nature, circumstances, extent, and gravity of the violation and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and other such matters as justice may require.¹²

5. We have considered the Licensee’s response in light of these statutory factors. We affirm our finding that the Licensee willfully violated section 73.3539 of the Rules. We reject Licensee’s arguments the fact that the violation was a “clerical error” should warrant a reduction in the proposed forfeiture.¹³ The Commission has held that violations resulting from inadvertent error or failure to become familiar with the Commission’s requirements are willful violations.¹⁴ Moreover, the Commission has long held that “licensees are responsible for the acts and omissions of their employees and independent contractors,”¹⁵ and has consistently “refused to excuse licensees from forfeiture penalties where the actions of employees or independent contractors have resulted in violations.”¹⁶ However, because Licensee has a history of a compliance of with the Rules, we will reduce the proposed forfeiture to \$1,125.¹⁷

¹² 47 U.S.C. § 503(b)(2)(E).

¹³ Although Licensee notes that the filing deadline, April 1, 2020, correlated to the early days of the COVID-19 pandemic, it does not directly attribute its error to the pandemic or otherwise explain how the pandemic was responsible for its failure to timely file the renewal application. Moreover, we note that over a thousand timely license renewal applications were filed by licensees in Tennessee, Kentucky and Indiana, which also had a filing date of April 1, 2020. We thus reject this argument as a basis to reduce the proposed forfeiture. Likewise, although Licensee notes that the Station was only licensed for a few weeks prior to the April 1, 2020 filing deadline, it cites to no authority that this would excuse its failure to timely file the renewal application.
