## WIRELESS TELECOMMUNICATIONS BUREAU ANNOUNCES THAT APPLICATIONS FOR AUCTION 107 LICENSES ARE ACCEPTED FOR FILING

On February 17, 2021, bidding concluded in the Federal Communications Commission's (Commission's) auction of new flexible-use overlay licenses in the 3.7-3.98 GHz (3.7 GHz) band, and the Office of Economics and Analytics (OEA) and the Wireless Telecommunications Bureau (WTB) announced the results of that auction on February 24, 2021.<sup>1</sup> Long-form applications (FCC Form 601) for licenses won in Auction 107 were due on March 10, 2021. The 21 long-form applications listed in Attachment A have been found, upon initial review, to be acceptable for filing. The Commission may return or dismiss the applications, however, if upon further examination, they are found to be defective or not in compliance with the Commission's rules.<sup>2</sup>

We remind Auction 107 long-form applicants that the *3.7 GHz Report and Order* established that new 3.7 GHz Service licensees must reimburse the reasonable relocation costs of incumbents to transition out of the band and, if accelerated clearing is achieved, the specified accelerated relocation costs.<sup>3</sup>

Petitions to deny the applications listed in Attachment A must be filed no later than **April 12, 2021**, ten (10) days after the date of this Public Notice.<sup>4</sup> Oppositions to a petition to deny must be filed no later than **April 19, 2021**, five (5) business days after the filing date for petitions to deny. Replies to oppositions must be filed no later than **April 26, 2021**, five (5) business days after the filing date for oppositions. All pleadings filed regarding any of these Auction 107 long-form applications should reference the file number of the application. Each application is a restricted proceeding under the Commission's rules.<sup>5</sup> A petitioner shall serve a copy of its petition to deny on the applicant and on all other interested parties pursuant to 47 CFR § 1.47. Oppositions and replies shall be served on the petitioner and all other interested parties.<sup>6</sup>

Pleadings may be filed electronically through the Commission's Universal Licensing System (ULS), or by paper pursuant to the following instructions. Parties are strongly encouraged to file using ULS.
