MEDIA BUREAU ANNOUNCES MAY 24, 2021 EFFECTIVE DATE OF REVISED DTS RULES FOR FULL-POWER TELEVISION BROADCAST STATIONS

MB Docket No. 20-74 and GN Docket No. 16-142

On January 19, 2021, the Commission released a Report and Order (*R&O*) in its proceeding to address technical issues that may impede the adoption of distributed transmission system (DTS) by a broadcast television station.¹ The *R&O* revised the Commission's DTS rules for full-power television stations and created new DTS rules for low-power television stations.² On April 16, 2021, the Office of Management and Budget (OMB) approved the form changes associated with the DTS rule revisions for full-power television stations.

By this *Public Notice*, the Media Bureau announces that summary of the *R&O*, including notice of the effective date for the rule changes applicable to full-power television stations, was published in the *Federal Register* on April 22, 2021,³ announcing that the effective date for modified section 73.626 is May 24, 2021.⁴

For additional information on this proceeding, contact Ty Bream, Ty.Bream@fcc.gov, of the Media Bureau, Industry Analysis Division. Press inquiries should be directed to Janice Wise, Janice.Wise@fcc.gov, (202) 418-8165.
