APPOINTMENT OF MEMBERSHIP FOR FOURTH TERM OF DISABILITY ADVISORY COMMITTEE AND ANNOUNCEMENT OF FIRST MEETING DATE

By this Public Notice, the Chairman of the Federal Communications Commission (FCC or Commission) announces the appointment of members for the fourth two-year term of the Commission's Disability Advisory Committee (DAC or Committee) and announces the first meeting of the new DAC term. The DAC is organized under, and operated in accordance with, the provisions of the Federal Advisory Committee Act (FACA) and provides advice and recommendations to the Commission on a wide array of disability matters specified by the Commission.¹

On July 13, 2020, the Commission solicited applications for membership for this term of the DAC, which runs from December 17, 2020, through December 17, 2022.² After review of the applications and nominations for membership received, the Chairman has selected 34 members and 4 *ex officio* members, as listed below. The membership consists of a diverse mix of organizations representing individuals with disabilities, the communications and video programming industries, the public safety industry, trade associations, researchers, and other stakeholders.

Debra Patkin, Attorney Advisor, Disability Rights Office (DRO), Consumer and Governmental Affairs Bureau (CGB), will serve as the Designated Federal Officer (DFO) of the DAC, and Will Schell, Attorney Advisor, DRO, CGB, will serve as the deputy DFO of the DAC.

During the Committee's fourth term, it is anticipated that the members of the Committee will attend a minimum of three (3) one-day plenary meetings per year, either in-person, or, if appropriate, by teleconference. In addition, as needed, working groups or subcommittees will be established to facilitate the Committee's work between meetings of the full Committee on accessibility-related matters that include, but are not limited to: communications transitions, telecommunications relay services, emergency access, and video programming accessibility.

The DAC will hold its first meeting of the fourth term on **Thursday, February 18, 2021, at 1:30 p.m.** The meeting will be held remotely, with video and audio coverage at www.fcc.gov/live. DAC members will discuss (i) the roles and responsibilities of the Committee and its members; (ii) issues that the Committee will address; (iii) meeting schedules; and (iv) any other topics relevant to the DAC's work. The meeting will be led by the DAC co-chairs: Brian Scarpelli, Senior Policy Counsel of ACT | The App Association, and Isidore Niyongabo, Director of Advocacy and Public Engagement of National Black Deaf Advocates.
