In the Matter of
Amendment of the Commission's Policies and
Rules for Processing Applications in the
Direct Broadcast Satellite Service
IB Docket No. 06-160

SECOND ERRATUM

Released: July 23, 2021

By the Managing Director:

On September 27, 2019, the Commission released a Report and Order (R&O), FCC 19-93, in the above-captioned proceeding. On November 22, 2019, the International Bureau released an Erratum amending the Final Rules in Appendix A of the R&O. To conform to the publishing conventions of the National Archives and Records Administration's Office of the Federal Register, this Second Erratum further amends the Final Rules in Appendix A of the R&O as indicated below:

- 1. Replace paragraph numbers "2." through "9." as numbers "3." through "10."
2. Below the authority citation for Part 25, add new section heading and new paragraph 2 to read as follows:

"§ 25.108 [Amended].

- 2. Amend § 25.108 as follows:
a. In paragraph (a),
i. Remove the words "this paragraph (a)" and add, in their place, "this section"; and
ii. Remove the phrase "call 202-741-6030" and add, in its place, "email fedreg.legal@nara.gov"; and
b. At the end of paragraph (c)(5), remove the phrase "§§ 25.117(h) and 25.118(e)" and add, in its place, "§§ 25.110(b), 25.117(h), 25.118(e), and 25.140(b)".
c. In paragraph (c)(6), remove the word "and" before 25.118(e) and at the end of paragraph (c)(6) add ", and 25.140(b)".
3. Paragraph (iv), of Section 25.110(b)(3), is corrected to read as follows:
"(iv) An application initiated pursuant to paragraphs (b)(3)(i), (ii), or (iii) of this section will be considered completed by the filing of an FCC Form 312 and the remaining information required in a complete license application, including the information required by §25.114, within two years of the date of submission of the initial application materials."

1 Amendment of the Commission's Policies and Rules for Processing Applications in the Direct Broadcast Satellite Service, IB Docket No. 06-160, Report and Order, 34 FCC Rcd 9014 (2019).

4. Paragraph (a), of Section 25.164, is corrected to read as follows:

“(a) The recipient of an initial license for a GSO space station, other than a SDARS space station, granted on or after August 27, 2003, must launch the space station, position it in its assigned orbital location, and operate it in accordance with the station authorization no later than five years after the grant of the license, unless a different schedule is established by this chapter or the Commission.”
