NOTICE OF APPARENT LIABILITY FOR FORFEITURE

Adopted: July 13, 2021

Released: July 15, 2021

By the Chief, Video Division, Media Bureau:

I. INTRODUCTION

1. The Media Bureau (Bureau) has before it the applications (Applications)¹ of VPM Media Corporation (VPM or Licensee), for renewal of its licenses for WNVC, Culpeper, Virginia, and WNVT, Spotsylvania, Virginia (collectively, Stations). In this *Notice of Apparent Liability for Forfeiture (NAL)*, we find the Licensee apparently willfully and/or repeatedly violated the Commission's rules (Rules) by failing to timely file the Stations' quarterly TV issues/programs lists in violation of section 73.3527(e)(8).² Based upon our review of the facts and circumstances before us, we conclude that the Licensee is apparently liable for a monetary forfeiture in the amount of nine thousand dollars (\$9,000).

II. BACKGROUND

2. Section 73.3527(e)(8) of the Rules requires every noncommercial educational television licensee to place in its Online Public Inspection File (OPIF), on a quarterly basis, a list (TV issues/programs list) that details programs that have provided the station's most significant treatment of community issues during the preceding three month period and must include a brief narrative of the issues addressed, as well as the time, date, duration, and title of each program in which the issues were treated.³

¹ LMS File Nos. 0000115413 (WNVC) and 0000115462 (WNVT). These Stations are noncommercial educational television stations. During the license term, the Licensee underwent a corporate reorganization. See LMS File No. 0000130687 (lead application for transfer of control, granted February 26, 2021). In seeking Commission consent to this transfer, VPM committed to assume liability for violations the Stations may have committed. See *id.* at Amended Exh. (VPM agrees to succeed to the position of the transferor in any pending license renewal applications and to assume the consequences thereof).

² 47 CFR § 73.3527(e)(8).

³ *Id.* Full power (commercial and noncommercial) and Class A television broadcasters have been required to upload various public file documents to their OPIF, including TV issues/programs lists, since 2012 and have been required to utilize the OPIF for the entirety of the current license term. See *Standardized and Enhanced Disclosure Requirements for Television Broadcast Licensee Public Interest Obligations, Extension of the Filing Requirement for Children's Television Programming Report*, Second Report and Order, 27 FCC Rcd 4535 (2012); *Effective Date Announced for Online Publication of Broadcast Television Public Inspection Files*, Public Notice, 27 FCC Rcd 7478 (2012) (announcing an effective date of August 2, 2012, for, *inter alia*, the requirement that television stations begin to post new TV issues/programs lists to their OPIF).

TV issues/programs lists must be placed in a station's OPIF by the tenth day of the succeeding calendar quarter and copies must be retained until final action on the station's next license renewal application.⁴

3. On June 1, 2020, the Licensee filed its Applications. A staff inspection of each Station's OPIF revealed that the Licensee failed to upload some copies of its TV issues/programs lists by the deadline established in section 73.3527(e)(8) of the Rules.⁵ Specifically, WNVC uploaded four lists more than one year late, and three lists between one day and one month late. Station WNVN uploaded five lists more than one year late, one list between one month and one year late, and three lists between one day and one month late. In the Applications, the Licensee indicates that the Stations' lists were timely prepared but, due to administrative oversight, were uploaded late.

III. DISCUSSION

4. *Proposed Forfeiture.* We find that the Licensee is apparently liable for a forfeiture in the amount of \$9,000.⁶ The Licensee failed to upload in a timely manner to the Stations' OPIF copies of the Stations' TV issue/programs lists for a total of 16 quarters for both Stations (WNVC failed to timely upload lists for seven quarters, and WNVN failed to timely upload lists for nine quarters). These late filings constitute an apparent willful and/or repeated violation of section 73.3527(e)(8) of the Rules.⁷

5. Pursuant to section 503(b)(1)(B) of the Communications Act of 1934, as amended (Act), a person who is found to have willfully and/or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission, shall be liable to the United States for a forfeiture penalty.⁸ Section 312(f)(1) of the Act defines willful as "the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate" the law.⁹ The legislative history to section 312(f)(1) of the Act clarifies that this definition of willful applies to both section 312 and 503(b) of the Act,¹⁰ and the Commission has so interpreted the term in the section 503(b) context.¹¹ Section 312(f)(2) of the Act provides that "[t]he term 'repeated,' when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day."¹²

6. The Commission's *Forfeiture Policy Statement* and section 1.80(b)(10) of the Rules establish a base forfeiture amount of \$10,000 for public file violations.¹³ In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in section 503(b)(2)(E) of the Act, including "the nature, circumstances, extent and gravity of

⁵ *Id.* The staff inspection is generally consistent with the Licensee's disclosures in its Applications.

⁶ Our action today addresses known apparent violations from the date the prior license renewal applications were granted through the adoption date of this item. Any violations that are discovered or may occur following the adoption date of this item and prior to the grant of the current Applications would be separate violations and potentially subject to additional Commission action.

the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.”¹⁴

7. In this case, the Licensee failed to timely upload to its OPIF TV issue/programs lists for 16 quarters, including filing nine reports over one year late (WNVC filed four reports more than a year late; WNVN filed five reports more than a year late), in violation of section 73.3527(e)(8) of the Rules.¹⁵ While the Licensee indicates that its repeated failure to timely upload its TV issue/programs lists was due to “administrative oversight,” we note that “employee acts or omissions, such as clerical errors in failing to file required forms, do not excuse violations.”¹⁶ Taking into consideration all of the factors required by section 503(b)(2)(E) of the Act and the *Forfeiture Policy Statement*, we find that under the facts of this case a forfeiture in the amount of \$9,000 is appropriate for the Licensee’s apparent failure to timely upload TV issues/programs lists for Stations WNVC and WNVN.

8. *License Renewal Applications.* In evaluating an application for license renewal, the Commission’s decision is governed by section 309(k) of the Act.¹⁷ That section provides that if, upon consideration of the application and pleadings, we find that: (1) the station has served the public interest, convenience, and necessity; (2) there have been no serious violations of the Act or the Rules; and (3) there have been no other violations which, taken together, constitute a pattern of abuse, we are to grant the renewal application.¹⁸ If, however, the licensee fails to meet that standard, the Commission may deny the application—after notice and opportunity for a hearing under section 309(e) of the Act—or grant the application “on terms and conditions as are appropriate, including renewal for a term less than the maximum otherwise permitted.”¹⁹

9. We find that the Licensee’s apparent violation of section 73.3527(e)(8) of the Rules does not constitute a “serious violation” warranting designation of the Applications for evidentiary hearing. Moreover, we find no evidence of violations that, when considered together, constitute a pattern of abuse.²⁰ Further, based on our review of the Applications, we find that the Stations served the public interest, convenience, and necessity during the subject license term. We will therefore grant the Applications by separate action upon the conclusion of this forfeiture proceeding if there are no issues other than those set forth in this *NAL* that would preclude grant of the Applications.

¹⁸ 47 U.S.C. § 309(k)(1).

²⁰ For example, we do not find here that the Licensee’s Stations’ operations were “conducted in an exceedingly careless, inept and negligent manner and that the licensee is either incapable of correcting or unwilling to correct the operating deficiencies.” See *Heart of the Black Hills Stations*, Decision, 32 FCC 2d 196, 198, para. 6 (1971). Nor do we find on the record here that “the number, nature and extent” of the violations indicate that “the licensee cannot be relied upon to operate [the station] in the future in accordance with the requirements of its licenses and the Commission’s Rules.” *Id.* at 200, paras. 10-11. Any claim of inability to pay must specifically identify the basis for the claim by reference to the financial documentation submitted. Inability to pay, however, is only one of several factors that the Commission will consider in determining the appropriate forfeiture, and we have discretion to not reduce or cancel the forfeiture if other prongs of 47 U.S.C. § 503(b)(2)(E) support that result.²⁶
