ORDER GRANTING EXTENSION OF TIME

Adopted: December 19, 2022

Released: December 19, 2022

By the Chief, Public Safety and Homeland Security Bureau:

1. By this Order, the Public Safety and Homeland Security Bureau (PSHSB) grants a joint request filed by the Competitive Carriers Association (CCA) and CTIA (collectively, Requestors) seeking an extension of 14 days to file Replies to Oppositions in connection with their Petition for Clarification and Partial Reconsideration (Petition) filed in the above-captioned proceeding.¹ For the reasons stated below, PSHSB finds that Requestors' request is warranted, and accordingly extends the deadline for filing Replies to Oppositions to January 10, 2023.

2. On June 27, 2022, the Federal Communications Commission (Commission) adopted a Report and Order addressing improvements to communications reliability during disasters.² Requestors filed their Petition on October 31, 2022.³ On December 2, 2022, the Office of the Federal Register published notice of the Petition in the Federal Register indicating that Oppositions to the Petition would be due on December 19, 2022 and Replies to Oppositions would be due on December 27, 2022.⁴

3. On December 7, 2022, Requestors filed the Request seeking a 14-day extension of the

deadline for Replies to Oppositions, from December 27, 2022 to January 10, 2023.⁵ In doing so, Requestors note that the current schedule provides only eight days, rather than the typical 10 days, between the filing deadlines for Oppositions and Replies to the Oppositions and that the December 26, 2022 federal holiday for Christmas also falls within this time window.⁶ Requestors state that the deadline for Replies to Oppositions should be extended to provide sufficient time for Requestors and other parties to “review the record, prepare potential oppositions in this complex proceeding, and develop a complete record for the Commission’s consideration.”⁷ Requestors further remark that the current schedule “creates significant challenges to the parties’ ability to review any oppositions, formulate positions with constituents and member companies, and draft replies that substantively respond to the oppositions to the Petition.”⁸ Requestors contend that the requested extension would be consistent with past instances where the Commission has granted extensions of time.⁹ No objections to the Request have been filed.

4. As set forth in section 1.46 of the Commission’s rules,¹⁰ the Commission does not routinely grant extensions of time for such filings. In this case, however, the requested extension is unopposed, limited to only 14 days, and will allow commenters sufficient time to file meaningful comments given the intervening weekend and Christmas holiday. We therefore grant Requestors unopposed Request and set the new deadline for filing Oppositions to Replies to January 10, 2023. The deadline for filing Oppositions remains December 19, 2022.

5. Accordingly, **IT IS ORDERED** that, pursuant to section 4(i)-(j) of the Communications Act of 1934, as amended, 47 U.S.C. § 154(i)-(j), and sections 0.204, 0.392, and 1.46 of the Commission’s rules, 47 CFR §§ 0.204, 0.392, 1.46, the Request for Extension of Time filed by Requestors is **GRANTED**.

6. **IT IS FURTHER ORDERED** that the date to file Oppositions to Replies in response to the Petition **IS EXTENDED** to January 10, 2023, respectively.
