FORFEITURE ORDER

Adopted: May 23, 2022

Released: May 23, 2022

By the Chief, Audio Division, Media Bureau:

I. INTRODUCTION

1. In this *Forfeiture Order*, the Media Bureau (Bureau) issues a monetary forfeiture to Birach Broadcasting Corporation (Birach) in the amount of seventeen thousand five hundred dollars (\$17,500). The forfeiture stems from our determination that Birach (1) willfully violated section 73.1740(a)(4) of the Commission’s Rules (Rules)¹ by discontinuing operation of KTUV(AM), Little Rock, Arkansas, without timely requesting special temporary authority (STA); (2) willfully violated section 74.1263(c) of the Commission’s Rules (Rules)² by discontinuing operation of K260DT, Little Rock, Arkansas, without timely requesting special temporary authority (STA); (3) willfully and repeatedly violated section 73.3526 of the Rules by failing to upload or failing to timely upload materials to the KTUV(AM) online public inspection file (OPIF);³ and (4) violated section 1.65 of the Rules by failing to update certifications made in an application to renew the licenses of KTUV(AM) and K260DT (Application).⁴

II. BACKGROUND

2. On January 29, 2020, Birach filed the Application. Therein, Birach certified that (1) with respect to the KTUV(AM) and K260DT, during the preceding license term, there had been “no violations by the licensee of the Communications Act of 1934, as amended, or the rules or regulations of the Commission;” (2) neither KTUV(AM) nor K260DT had “been silent (or operating for less than its prescribed minimum operating hours) for any period of more than 30 days” during the preceding license term; and (3) KTUV(AM) and K260DT were “currently on the air broadcasting programming intended to be received by the public.”⁵

3. Subsequently, on March 6, 2020, KTUV(AM) went silent due to the “catastrophic failure of its transmitter.” Because KTUV(AM) had gone silent, K260DT also went off the air. When the KTUV(AM) and K260DT silences extended beyond 10 days, Birach should have notified the Commission. It did not. When the silences extended beyond 30 days, Birach should have requested STA

for KTUV(AM) and K260DT to remain silent. It did not. Instead, the KTUV(AM) and K260DT silences were brought to our attention when we received Informal Objections to the Application in May and June of 2020.⁶

4. Based on the evidence before us, and our review of the Application and the KTUV(AM) OPIF, we released a *Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture (NAL)* that proposed a forfeiture of seventeen thousand five hundred dollars (\$17,500) in relation to the unauthorized periods of silence at both KTUV(AM) and K260DT, Birach's failure to properly maintain the KTUV(AM) OPIF, and its failure to maintain the completeness and accuracy of certifications made in the Application.⁷ The *NAL* gave Birach thirty days to pay the full amount of the proposed forfeiture, or file a written statement seeking reduction or cancellation of the proposed forfeiture.⁸ To date, Birach has neither paid the proposed forfeiture nor filed a written statement in response to the *NAL*.

III. DISCUSSION

5. The forfeiture amount proposed in this case was assessed in accordance with section 503(b) of the Communications Act of 1934, as amended (the Act),⁹ section 1.80 of the Rules,¹⁰ and the Commission's *Forfeiture Policy Statement*.¹¹ In assessing forfeitures, section 503(b)(2)(E) of the Act requires that we take into account the nature, circumstances, extent, and gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.¹²

6. We conclude that Birach willfully violated sections 73.1740(a)(4), 74.1263(c), 73.3526, and 1.65 of the Rules. We therefore issue a forfeiture in the amount of seventeen thousand five hundred dollars (\$17,500) as proposed in the *NAL*.
