Call Sign: S3088

Dear Mr. Lugo:

On June 1, 2022, we dismissed, pursuant to delegated authority,<sup>1</sup> Astrobotic Technology, Inc.'s above-referenced application, as amended. Based on the revised operational plans provided in your supplement of June 21, 2022,<sup>2</sup> involving removal of the instrument cap on the lunar surface, we have reconsidered the dismissal on our own motion<sup>3</sup> and are restoring the application to pending status.

Sincerely,

**Karl A. Kensinger**

Karl A. Kensinger  
Chief, Satellite Division  
International Bureau
