MB Docket No. 22-317

**Comment Date: October 3, 2022**

**Reply Date: October 18, 2022**

America-CV Station Group, Inc. (America-CV), the licensee of certain broadcast television licensees, has filed a petition for declaratory ruling (Petition) requesting that the Federal Communications Commission (Commission) issue a declaratory ruling pursuant to section 310(b)(4) of the Communications Act of 1934, as amended (the Act).<sup>1</sup> The Petition seeks authority for foreign investors to indirectly own up to 100% in the aggregate of America-CV's equity and voting interests.<sup>2</sup> Specifically, it seeks authority for the following structure: (1) Carlos Vasallo, a citizen of Spain, to wholly own Athos Overseas, Inc. (Athos), a corporation organized in the British Virgin Islands; (2) Athos to wholly own Top Products Investments, Inc. (Top Products), a corporation organized in Panama; (3) Top Products to be the sole member of Vasallo TV Group, LLC (Vasallo TV Group), a limited liability company organized in the United States; (4) and for Vasallo TV Group to hold a 100% direct voting and equity

<sup>2</sup> Petition at 1, 3, 5-6. The Petition is being filed as part of a bankruptcy reorganization. On May 14, 2019, America-CV filed a voluntary chapter 11 petition in the United States Bankruptcy Court for the Southern District of Florida (Bankruptcy Court) to effectuate restructuring of the companies' debt obligations. *Id.* at 2-3. On June 2, 2020, the Bankruptcy Court issued an order permitting America-CV to emerge from bankruptcy with a restructured corporate ownership. *Id.* (citation omitted). As a result of America-CV's bankruptcy reorganization, on August 21, 2020, America-CV filed transfer of control applications (Transfer of Control Applications) seeking Commission approval of its proposed post-bankruptcy organizational structure. *Id.*; CDBS Lead File No. BTCCDT-20200821AAH. As part of the Transfer of Control Applications, America-CV filed a Petition for Declaratory Ruling under Section 310(b)(4) of the Act. Petition at 2-3; CDBS File No. BTCCDT-20200821AAH, Att. 26. Pursuant to Staff request, on February 9, 2021, America-CV filed a request for waiver of Section 1.5000(a)(1) of the Commission's rules to permit America-CV's emergence from bankruptcy before the Commission considered its Foreign Ownership Petition. Petition at 2-3; CDBS File No. BTCCDT-20200821AAH. On April 14, 2021, the Commission granted America-CV's waiver request, and granted the Transfer of Control Applications conditioned on America-CV's refiling of its Foreign Ownership Petition within 30 days of closing. Petition at 2-3; *America-CV Station Group, Inc., Debtor-in-Possession, et al.*, Order, 36 FCC Rcd 7291 (VD MB 2021) (America-CV Transfer of Control Order). America-CV filed its notice of consummation for the Transfer of Control Applications on April 23, 2021, and it refiled its Foreign Ownership Petition on April 26, 2021, which it subsequently refiled to provide additional information regarding, *inter alia*, America-CV's ownership structure. Petition at 2-4; CDBS File No. BTCCDT-20200821AAH. On April 28, 2021, Emilio Braun, Ramon Diez Barrosa, and Pegaso Television Corp. filed a Petition for Reconsideration of the America-CV Transfer of Control Order, which remains pending as of the date of this Public Notice. See CDBS File No. BTCCDT-20200821AAH (filed Apr. 28, 2021).

interest in America-CV, a Delaware corporation.<sup>3</sup> In addition, the Petition seeks specific approval for Top Products, Athos, and Carlos Vasallo to each indirectly hold up to 100% of America-CV's equity and voting interests.<sup>4</sup> America-CV contends that granting this Petition is in the public interest because it will, *inter alia*, further the Commission's goals of encouraging foreign investment and ownership diversity in broadcast stations.<sup>5</sup>

The Petition has been found, on initial review, to be acceptable for filing. The Commission may require America-CV to submit additional documents or statements of fact that in the Commission's judgment may be necessary. The Commission also reserves the right to return the Petition if, on further examination, it is determined to be defective and not in conformance with its rules and policies. In addition, pursuant to Commission practice, the Petition will be referred to relevant Executive Branch agencies for their views on any national security, law enforcement, foreign policy, or trade policy concerns related to the foreign ownership of America-CV.<sup>6</sup>

### **EX PARTE STATUS OF THIS PROCEEDING**

In order to assure the staff's ability to discuss and obtain information needed to resolve the issues presented, by this Public Notice and pursuant to Section 1.1200(a) of the Rules,<sup>7</sup> we establish a docket for this proceeding and announce that the *ex parte* procedures applicable to permit-but-disclose proceedings will govern our consideration of this Petition.<sup>8</sup>

Persons making *ex parte* presentations must file a copy of any written presentation or a memorandum summarizing any oral presentation within two business days after the presentation (unless a different deadline applicable to the Sunshine period applies). Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must (1) list all persons attending or otherwise participating in the meeting at which the *ex parte* presentation was made, and (2) summarize all data presented and arguments made during the presentation.<sup>9</sup> If the presentation consisted in whole or in part of data or arguments already reflected in the presenter's written comments, memoranda, or other filings in the proceeding, then the presenter may provide citations to such data or arguments in his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers

<sup>3</sup> See Petition at 2-3, 6-9, Exhibits B, F, G. Immediately prior to its bankruptcy reorganization, America-CV's indirect foreign ownerships voting and equity interests totaled 26.9% and 17.21%, respectively. Petition at 1, n.3. America-CV notes in its Petition that due to small changes to the ownership of various intermediate holding companies resulted in it inadvertently exceeding the indirect foreign voting interest limit. See *id.* at 7. America-CV further explains to the Commission that prior to its bankruptcy filing, America-CV had organized itself to remain below the Commission's 25% limit for indirect foreign ownership. However, according to America-CV, a prior settlement agreement was not fully executed by two parties that held interests in it prior to the bankruptcy and as a result, ACV inadvertently exceeded the Section 310(b)(4) benchmark on March 9, 2017.
