This Public Notice serves as an announcement that, consistent with the Federal Advisory Committee Act,¹ the Federal Communications Commission (FCC or Commission) will hold the fifth meeting of the Communications Security, Reliability and Interoperability Council VIII (CSRIC VIII) on **Wednesday, September 21, 2022, beginning at 1:00 pm EDT, via conference call and available to the public via the Internet at <http://www.fcc.gov/live>**. Notice of this meeting was published in the Federal Register on August 12, 2022.² The FCC also announces the addition of Ben Goldsmith, Principal Scientific Officer at the U.S. Department of Justice to the Council.
