As previously announced, registration is free and is open to the public. Members of the public may attend this event either in person at 45 L St NE, Washington, DC 20554 in the Commission Meeting Room or remotely via livestream from the FCC's web page at www.fcc.gov/live. The FCC's webcast is free to the public. We request that both remote and in-person members of the public register in advance to attend the roundtable by using the following [link](#).

Other reasonable accommodations for people with disabilities are available upon request. Requests for such accommodations should be submitted via e-mail to fcc504@fcc.gov or call the Consumer and Governmental Affairs Bureau at 202-418-0530 (voice). Such requests should include a detailed description of the accommodation needed. In addition, please include a way for the FCC to contact the requester if more information is needed to fill the request. Make your request as soon as possible. Last minute requests will be accepted but may not be possible to accommodate.

For further information on this proceeding, contact Erika Olsen, Acting Chief, Cybersecurity and Communications Reliability Division, Public Safety and Homeland Security Bureau, (202) 418-2868 or via email at Erika.Olsen@fcc.gov or John M. Blumenschein, Attorney-Advisor, Cybersecurity and Communications Reliability Division, Public Safety and Homeland Security Bureau, (202) 418-1490 or via email at John.Blumenschein@fcc.gov.
