## INTERCONNECTED VOIP NUMBERING AUTHORIZATION APPLICATION OF DIALOGA GROUP, LLC GRANTED PURSUANT TO SECTION 52.15(g) OF THE COMMISSION'S RULES

### WC Docket No. 16-280

By this Public Notice, the Wireline Competition Bureau (Bureau) grants an application filed by Dialoga Group, LLC (Dialoga Group), pursuant to section 52.15(g)(3) of the Commission's rules, seeking authorization to obtain North American Numbering Plan telephone numbers directly from the Numbering Administrator.<sup>1</sup>

On September 19, 2023, the Bureau released a public notice in which it found that the Application required further review to determine whether granting it would serve the public interest, and accepted it for filing on a non-streamlined basis.<sup>2</sup> The Bureau sought comment on the Application.<sup>3</sup> No party filed comments in opposition to the Application.

As the Bureau previously determined that Dialoga Group's Application met the access-to-numbers application requirements set forth in section 52.15(g)(3)(i) of the Commission's rules,<sup>4</sup> and upon further consideration of the record, the Bureau finds that granting the Application will serve the public interest.<sup>5</sup>
