FCC RELEASES AGENDA FOR MARCH 6, 2023 DIGITAL ECOSYSTEM FORUM

FCC Chairwoman Jessica Rosenworcel to Deliver Opening Remarks

GN Docket No. 17-208

This Public Notice announces the agenda for the Communications Equity and Diversity Council (CEDC)'s Digital Ecosystem Forum on March 6, 2023, from 12:00 noon to 4:30 pm, ET. The CEDC is an advisory council of the Federal Communications Commission. Chairwoman Jessica Rosenworcel will deliver opening remarks. The forum will be held virtually, beginning at 12:00 pm ET, and will be available to the public for viewing via the Internet at <http://www.fcc.gov/live>.

The innovation of technology has transformed almost every aspect of our daily lives – from how we learn, communicate, and develop professionally. The Diversity and Equity Working Group of the CEDC will bring together industry thought leaders to discuss how the U.S. can provide digital and technology upskilling through multiple avenues, including via non-traditional local and regional anchor institutions, in order to create a more diverse workforce. The half-day virtual forum will focus on the future of “work,” with the goal of providing tangible options to ensure that historically underserved populations benefit from next generation technologies.

The detailed agenda is attached to this Public Notice as an Appendix. The forum will be available to the public via live feed from the FCC's web page at <https://www.fcc.gov/live>. The public may also follow the forum on the Commission's YouTube page at <https://www.youtube.com/user/fccdotgovvideo>. In addition, the public may follow the event on Twitter@fcc or via the Commission's Facebook page at www.facebook.com/fcc. Members of the public may submit questions during the panel discussions to livequestions@fcc.gov.

Open captioning will be provided for this event. Other reasonable accommodations for people with disabilities are available upon request. Requests for such accommodations should be submitted via e-mail to fcc504@fcc.gov or by calling the Consumer & Governmental Affairs Bureau at (202) 418-0530 (voice). Such requests should include a detailed description of the accommodation needed. In addition, please include a way for the FCC to contact the requester if more information is needed to fill the request. Please allow at least five days' advance notice for accommodation requests; last minute requests will be accepted but may not be possible to accommodate.

Members of the public may submit written comments to the CEDC using the FCC's Electronic Comment Filing System, ECFS, at www.fcc.gov/ecfs. Any comments should be filed in GN Docket No. 17-208.
