Released: March 6, 2023

PUBLIC SAFETY AND HOMELAND SECURITY BUREAU OFFERS FURTHER INFORMATION AND ASSISTANCE WITH FILING EAS TEST REPORTING SYSTEM FORM ONE INFORMATION

PS Docket No. 15-94

In this Public Notice, the Public Safety and Homeland Security Bureau (PSHSB) encourages Emergency Alert System (EAS) Participants¹ that have not yet submitted their Form One information into the EAS Test Reporting System (ETRS) to do so as soon as possible. EAS Participants that did not meet the February 28, 2023 filing deadline² continue to be obligated to submit the required information.³ The ETRS remains open for late filings and for corrections or updates to existing filings.

We encourage EAS Participants that have questions or need help with the filing process to contact Bureau staff for assistance by emailing ETRS@fcc.gov. Filers can access ETRS by visiting the ETRS page of the Commission's website at <https://www.fcc.gov/general/eas-test-reporting-system>, which also includes links to instructional videos regarding registration and completion of the ETRS Form One. Filers must use their registered FCC Username (Username) that is associated with the FCC Registration Numbers (FRNs) for which they will file. Filers that have already created a Username for use with another FCC system may access the ETRS with that Username. Filers that do not remember the password that corresponds with their Username may reset it at <https://apps2.fcc.gov/fccUserReg/pages/reset-passwd-identify.htm>. Filers that have not previously created a Username may do so by visiting the User Registration System at <https://apps2.fcc.gov/fccUserReg/pages/createAccount.htm>. Filers can associate their Username to an FRN by logging in at <https://apps.fcc.gov/cores/userLogin.do> and clicking on the appropriate option. Additional information regarding creating and associating FRNs with a Username can be found on the CORES FAQs page at <https://apps.fcc.gov/cores/publicHome.do?faq=true&csfrToken=>.
