**ORDER**

**Adopted: June 16, 2023**

**Released: June 16, 2023**

By the Chief, Audio Division, Media Bureau:

1. In this Order, we adopt the attached Consent Decree entered into by the Media Bureau (Bureau) and Good Christian Radio Broadcasting, Inc. (Licensee), the licensee for Station WLIH(FM), Whitneyville, Pennsylvania (Station). The Consent Decree resolves issues arising from the Bureau's review of the captioned license renewal applications (collectively, Applications) for the Station.<sup>1</sup> In particular, the Consent Decree resolves the Bureau's investigation of Licensee's compliance with the Public File Rule contained in section 73.3526 of the Commission's rules (Rules),<sup>2</sup> section 73.3539 of the Rules,<sup>3</sup> which sets forth the filing deadline for license renewal applications, and section 301 of the Communications Act of 1934, as amended (Act),<sup>4</sup> which requires a valid authorization from the Commission to operate a broadcast station.

2. A license renewal application for the 2011-2014 Renewal Cycle was due on April 1, 2014.<sup>5</sup> Licensee filed the 2014 Renewal Application on July 29, 2014, three days before the Station's license expired on August 1, 2014.<sup>6</sup> On October 13, 2015, the Bureau issued a Notice of Apparent Liability for Forfeiture to Licensee because it did not file the 2014 Renewal Application by the April 1, 2014, deadline.<sup>7</sup> Licensee did not pay the *2015 NAL*, nor did it file a response to the *2015 NAL*, and on December 22, 2015, the Bureau issued a Forfeiture Order to Licensee affirming the *2015 NAL*.<sup>8</sup> Licensee

3. A license renewal application for the 2019-22 Renewal Cycle was due on April 1, 2022.<sup>10</sup> Licensee failed to timely file a renewal application by that date. Subsequently, the Bureau staff contacted Licensee to inform it that it could file a renewal application by May 1, 2022, without a financial penalty.<sup>11</sup> Licensee failed to a renewal application, and the Station's license expired on August 1, 2022. Accordingly, on November 7, 2022, the Bureau issue a Public Notice advising Licensee that the license for the Station was cancelled effectively immediately.<sup>12</sup> At that time, the 2014 Renewal Application was dismissed as moot.<sup>13</sup>

4. Licensee filed a request for special temporary authority (STA) to operate the Station on November 16, 2022,<sup>14</sup> stating that Licensee intended to file a petition for reconsideration of the Station's license cancellation and a license renewal application for the 2019-22 Renewal Cycle, and requesting authority to resume operations pending Commission action on those filings. On December 5, 2022, Licensee filed a petition for reconsideration<sup>15</sup> and the 2022 Renewal Application. In the 2022 Renewal Application, Licensee disclosed that it had not complied with section 73.3526 of the Rules.<sup>16</sup> The Bureau's review of the Station's online public inspection file revealed that Licensee did not upload a single issues and programs list until November 2022.

5. The Bureau and Licensee have negotiated the attached Consent Decree in which Licensee stipulates that it violated sections 73.3526 and 73.3539 of the Rules, and section 301 of the Act. Pursuant to the Consent Decree, Licensee agrees, among other things, to make a civil penalty payment to the United States Treasury in the amount of three thousand dollars (\$3,000) (Civil Penalty), implement a comprehensive compliance plan to ensure future compliance with its online public inspection file obligations, and, one year after entering into the Consent Decree, submit a compliance report to the Audio Division.

6. After reviewing the terms of the Consent Decree, we find that the public interest will be served by its approval and by terminating all pending proceedings relating to the Bureau's consideration of potential violations of the Rules, and granting the Applications. Grant shall be conditioned upon

## II. BACKGROUND

3. Section 73.3539(a) of the Rules requires that applications for renewal of license for broadcast stations must be filed “not later than the first day of the fourth full calendar month prior to the expiration date of the license sought to be renewed.”<sup>3</sup> An application for renewal of the Station’s license for the 2011-14 Renewal Cycle should have been filed by April 1, 2014, the first full business day following the first day of the fourth full calendar month prior to the Station’s license expiration date of August 1, 2014.<sup>4</sup> The 2014 Renewal Application was not filed until July 29, 2014.<sup>5</sup> On October 13, 2015, the Bureau issued a Notice of Apparent Liability for Forfeiture to Licensee because it did not file the Renewal Application by the April 1, 2014, deadline.<sup>6</sup> Licensee did not pay the *2015 NAL*, nor did it file a response to the *2015 NAL*, and on December 22, 2015, the Bureau issued a Forfeiture Order to Licensee affirming the *2015 NAL*.<sup>7</sup> The *2015 Forfeiture Order* remains unpaid.

4. A license renewal application for the Station’s license for the 2019-22 Renewal Cycle should have been filed by April 1, 2022, the first full business day follow the first day of the fourth full calendar month prior to the Station’s license expiration date of August 1, 2022.<sup>8</sup> No application was filed by that date and on November 7, 2022, the Bureau issued a Public Notice advising Licensee that the license for the Station was cancelled effectively immediately.<sup>9</sup>

5. Licensee filed a request for special temporary authority on November 16, 2022, to operate the Station until it filed, and the Commission reviewed, a license renewal application for the 2019-2022 Renewal Cycle.<sup>10</sup> Licensee filed the 2022 Renewal Application on December 5, 2022.<sup>11</sup>

6. Section 73.3526 of the Rules requires that quarterly issues and programs lists be uploaded to the station's online public inspection file no later than the tenth day after each quarter.<sup>12</sup> It is crucial that stations maintain online public inspection files that are complete and up to date because the information in them directly affects, among other things, the public's ability to be informed about a station's compliance with its obligations. In the 2022 Renewal Application, Licensee disclosed that it had not complied with section 73.3526.<sup>13</sup> The Bureau's review of the Station's online public inspection file revealed that Licensee did not upload a single issues and programs list until November 2022.

7. The Bureau and Licensee have negotiated the terms of the Consent Decree that terminates the Investigation into the matters discussed above. As part of the Consent Decree, the Licensee has agreed to maintain a Compliance Plan designed to ensure its future compliance with the Online Public Inspection File Rule noted above for one (1) year after the Effective Date, and to pay a civil penalty of Three Thousand Dollars (\$3,000) to the U.S. Treasury.

### III. TERMS OF AGREEMENT

8. **Adopting Order.** The provisions of this Consent Decree shall be incorporated by the Bureau in an Adopting Order.

9. **Jurisdiction.** The Licensee agrees that the Bureau has jurisdiction over it and the matters contained in this Consent Decree and has the authority to enter into and adopt this Consent Decree.

10. **Effective Date.** The Parties agree that this Consent Decree shall become effective on the Effective Date. As of the Effective Date, the Parties agree that this Consent Decree shall have the same force and effect as any other order of the Commission.

11. **Termination of Investigation.** In express reliance on the covenants and representations in this Consent Decree and to avoid further expenditure of public resources, the Bureau agrees to terminate the Investigation. In addition, the Bureau agrees to grant the Licensee's pending Applications (Application File Nos. BRH-20140729ABP and 0000204831). In consideration for such, the Licensee agrees to the terms, conditions, and procedures contained herein.

12. The Bureau agrees that, in the absence of new material evidence, the Bureau will not use the facts developed in this Investigation through the Effective Date, or the existence of this Consent Decree, to institute, on its own motion or in response to any petition to deny or other third-party objection, any new proceeding, formal or informal, or take any action on its own motion against the Licensee concerning the matters that were the subject of the Investigation. The Bureau also agrees that, in the absence of new material evidence, it will not use the facts developed in the Investigation through the Effective Date, or the existence of this Consent Decree, to institute on its own motion any proceeding, formal or informal, or to set for hearing the question of the Licensee's basic qualifications to be a Commission licensee or to hold Commission licenses or authorizations.<sup>14</sup>

Licensee also admits that it failed to maintain an online public inspection file, specifically, that it did not upload any issues and programs lists, in violation of section 73.3526 of the Rules during the Station's prior license term. Licensee also admits that it violated section 301 of the Act by operating the Station without a valid authorization after its license expired on August 1, 2022.

14. Pursuant to section 503(b)(2)(E) of the Act, in exercising its forfeiture authority, the Commission may consider, among other things, "any history of prior offenses" by the licensee.<sup>15</sup> The Licensee acknowledges that the Commission or its delegated authority may consider the Licensee's admission of liability in this Consent Decree in proposing any future forfeiture against Licensee in the event the Licensee is determined to have apparently committed a violation of the Act, the Rules, or of any orders of the Commission after the Effective Date, whether related to the timely filing of applications or otherwise.

15. **Civil Penalty.** Licensee agrees to pay the Civil Penalty to the United States Treasury in the amount of Three Thousand Dollars (\$3,000) as follows: Licensee shall pay the entirety of the *2015 Forfeiture Order* (MB-201541410037), One Thousand Five Hundred Dollars (\$1,500), and make a separate payment of One Thousand Five Hundred Dollars (\$1,500) under the separate NAL Number referenced in the caption (MB-202341410009). Such payments shall be made in eight consecutive quarterly installments (each an Installment Payment). The first Installment Payment in the amount of three hundred seventy five dollars (\$375) is due within thirty (30) calendar days of the Effective Date. Thereafter, subsequent Installment Payments of three hundred seventy five dollars (\$375) will be due within one hundred and twenty (120) calendar days from the Effective Date, two hundred and ten (210) calendar days from the Effective Date, three hundred (300) calendar days from the Effective Date, three hundred and ninety (390) calendar days from the Effective Date, four hundred and eighty (480) calendar days from the Effective Date, five hundred and seventy (570) calendar days from the Effective Date, and six hundred and sixty (660) calendar days from the Effective Date. Licensee acknowledges and agrees that upon execution of this Consent Decree, the Civil Penalty and each Installment Payment shall become a "Claim" or "Debt" as defined in section 3701(b)(1) of the Debt Collection Improvement Act of 1996.<sup>16</sup>

16. **Payment.** Licensee will also send electronic notification of payment to Alexander Sanjenis at Alexander.Sanjenis@fcc.gov on the date said payment is made. Payment of the forfeiture must be made by credit card, ACH (Automated Clearing House) debit from a bank account using the Commission's Fee Filer (the Commission's online payment system),<sup>17</sup> or by wire transfer. The Operating Procedures shall include internal procedures and policies specifically designed to ensure that the Licensee’s stations upload all required information to their online public inspection files in a timely manner and otherwise maintain full, complete, and up to date information therein. The Operating Procedures shall also include a compliance checklist that describes the steps that a Covered Employee must follow to ensure compliance with the Online Public Inspection File Rule; and

The compliance report shall include a certification by the Compliance Officer stating that the Compliance Officer has personal knowledge that the Licensee: (i) has established and implemented the Compliance Plan; (ii) has utilized the operating procedures since the implementation of the Compliance Plan; and (iii) is not aware of any instances of noncompliance with the terms and conditions of this Consent Decree.
  - ii. The Compliance Officer's certification shall be accompanied by a statement explaining the basis for such certification and must comply with section 1.16 of the Rules,<sup>20</sup> and be subscribed to as true under penalty of perjury in substantially the form set forth therein.
  - iii. If the Compliance Officer is unable to provide the requisite certification, the Compliance Officer shall provide the Bureau with a report detailing the noncompliance, as described below.
  - iv. The compliance report shall be submitted to the Audio Division staff: Alexander Sanjenis (alexander.sanjenis@fcc.gov).

taken. All reports of noncompliance shall be submitted to the Audio Division staff: Alexander Sanjenis, Assistant Division Chief, at Alexander.Sanjenis@fcc.gov.

20. **Termination Date.** The obligations to which the Licensee is subject pursuant to this Consent Decree shall terminate upon submission of the Compliance Report pursuant to Paragraph 17(c), provided the Bureau is satisfied that the Licensee has demonstrated substantial compliance with its obligations. If the Bureau is not satisfied that the Licensee has demonstrated substantial compliance with its obligations, the Bureau may, within its sole discretion and authority, extend the termination date of this Consent Decree for up to an additional 24 months.

21. **Further Violation(s).** The Licensee acknowledges that the Bureau retains the discretion and authority to propose sanctions against the Licensee, including the issuance of notices of apparent liability for forfeitures, for any apparent willful and/or repeated violation by the Licensee of the Online Public Inspection File Rule that occurs during the term of this Consent Decree.

22. **Qualifications; Agreement to Grant.** The Bureau finds that its Investigation raises no substantial and material questions of fact as to whether Licensee possesses the basic qualifications, including those relating to character, to hold a Commission license or authorization. Accordingly, the Bureau agrees to grant the Applications, after the Effective Date, provided that the following conditions have been met: 1) the first payment of the Civil Penalty, referenced in paragraph 15, has been fully and timely satisfied; and 2) there are no issues other than the Violations that would preclude grant of the Applications.

23. **Waivers.** As of the Effective Date, the Licensee waives any and all rights it may have to seek administrative or judicial reconsideration, review, appeal, or stay, or to otherwise challenge or contest the validity of this Consent Decree and the Adopting Order. The Licensee shall retain the right to challenge Commission interpretation of the Consent Decree or any terms contained herein. If either Party (or the United States on behalf of the Commission) brings a judicial action to enforce the terms of the Consent Decree or Adopting Order, neither the Licensee nor the Commission shall contest the validity of the Consent Decree or the Adopting Order, and the Licensee shall waive any statutory right to a trial *de novo*. The Licensee hereby agrees to waive any claims it may have under the Equal Access to Justice Act<sup>21</sup> relating to the matters addressed in this Consent Decree.

24. **Severability.** The Parties agree that if any of the provisions of the Consent Decree shall be held unenforceable by any court of competent jurisdiction, such unenforceability shall not render unenforceable the entire Consent Decree, but rather the entire Consent Decree shall be construed as if not containing the particular unenforceable provision or provisions, and the rights and obligations of the Parties shall be construed and enforced accordingly.

25. **Invalidity.** In the event that this Consent Decree in its entirety is rendered invalid by any court of competent jurisdiction, it shall become null and void and may not be used in any manner in any legal proceeding.

26. **Subsequent Rule or Order.** The Parties agree that if any provision of this Consent Decree conflicts with any subsequent Rule or Order adopted by the Commission (except an order specifically intended to revise the terms of this Consent Decree to which the Licensee does not expressly consent) that provision will be superseded by such Rule or Order.

27. **Successors and Assigns.** The Licensee agrees that the provisions of this Consent Decree shall be binding on its successors, assigns, and transferees.

28. **Final Settlement.** The Parties agree and acknowledge that this Consent Decree shall constitute a final settlement between the Parties with respect to the Investigation.

<sup>21</sup> See 5 U.S.C. § 504; 47 CFR §§ 1.1501-1.1530.

29. **Modifications.** This Consent Decree cannot be modified without the advance written consent of both Parties.

30. **Paragraph Headings.** The headings of the paragraphs in this Consent Decree are inserted for convenience only and are not intended to affect the meaning or interpretation of this Consent Decree.

31. **Authorized Representative.** Each Party represents and warrants to the other that it has full power and authority to enter into this Consent Decree. Each person signing this Consent Decree on behalf of a Party hereby represents that he or she is fully authorized by the Party to execute this Consent Decree and to bind the Party to its terms and conditions.
