Transfer of Control

Grant of Authority

Date of Action: 01/12/2023

Current Licensee: Telxius Cable Puerto Rico, Inc.**FROM:** KKR Management LLP**TO:** Pontegadea Inversiones, S.L.

Telxius Cable Puerto Rico, Inc. (Telxius Cable Puerto Rico), a Puerto Rico company that holds an international section 214 authorization (ITC-214-20131121-00316), filed an application (Application) for consent to transfer control of negative control rights over Telxius Cable Puerto Rico from KKR Management LLP (KKR Management) to Pontegadea Inversiones, S.L. (Pontegadea). The Application was placed on Public Notice on March 11, 2022. See Non Streamlined International Applications/Petitions Accepted For Filing, File No. ITC-T/C-20220222-00030, Public Notice, Report No. TEL-02168NS (IB March 11, 2022). Applicants filed supplements to the Application on January 8, 2023 and January 11, 2023.

On March 16, 2022, the Department of Justice (DOJ), on behalf of the Committee for the Assessment of Foreign Participation in the United States Telecommunications Services Sector (Committee), filed a letter notifying the Commission that the Committee was reviewing the Application for any national security and law enforcement concerns that may be raised by foreign participation in the United States telecommunications services sector and requested that the Commission defer action on the Application. We deferred action on the Application in response to the Committee's request. On December 21, 2022, the National Telecommunications and Information Administration, on behalf of the Committee, filed a Petition to Adopt Conditions to Authorization and License. The Committee has no objection to the Commission granting the application, provided that the Commission conditions its approval on the assurance of Telxius Cable Puerto Rico, Inc. and Telxius Cable USA, Inc. to abide by the commitments and undertakings set forth in the December 9, 2022, Letter of Agreement (LOA) attached to the Petition to Adopt Conditions to Authorization and License.

Telxius Cable Puerto Rico is a wholly owned subsidiary of Telxius Cable América, S.A. (Telxius Cable América), a Uruguay company, which is a wholly owned subsidiary of Telxius Telecom, S.A. (Telxius Parent), a Spanish company. Pontel Participaciones, S.L. (Pontel), a Spanish company, holds 60% equity and voting interests in Telxius Parent. Taurus Bidco S.à.r.l (Taurus Bidco), a Luxembourg company ultimately owned and controlled by KKR Management, a Delaware company, holds the remaining 40% equity and voting interests and certain negative control rights over Telxius Parent. Telefónica, S.A. (Telefonica), a publicly traded Spanish company, holds 83.35% equity and voting interests in Pontel and ultimate de jure control over Telxius Parent. The remaining 16.65% voting and equity interests in Pontel are held by Pontegadea, a Spanish company, that is 99.99% owned by Mr. Amancio Ortega Gaona, a citizen of Spain.

The transaction will be comprised of a series of steps. First, the 40% equity and voting interests and negative control rights currently held by Taurus Bidco in Telxius Parent will be acquired by Pontel. Simultaneously, Telefonica and Pontegadea will carry out a capital restructuring that will result in Telefonica holding 70% voting and equity interests in Pontel and Pontegadea holding the remaining 30% voting and equity interests in Pontel. As soon as possible thereafter, Telefonica and Pontel will restructure their interests by merging Pontel into Telxius Parent, with Telxius Parent surviving, such that Telefonica (70%) and Pontegadea (30%) will hold their interests directly in Telxius Parent.

As part of the transaction, a Shareholder Agreement will be executed pursuant to which Pontegadea will acquire certain negative control rights over shareholder, board of directors, and third-party transaction matters that could be deemed to constitute de facto control. The Shareholder Agreement gives Pontegadea certain rights beyond standard minority shareholder protections that will provide Pontegadea with an effective veto over certain Pontel (and following the restructuring, Telxius Parent) matters, including business plan, annual budget, ability to enter into contracts above a certain value threshold, ability to enter into related party transactions with Telefonica and its non-Telxius subsidiaries, and influence over the appointment, replacement, and removal of the CEO and CFO. Following consummation of the transaction, Telefonica will continue to retain de jure control over Telxius Parent and Telxius Cable Puerto Rico.

After completion of the transaction, the following individuals and entities will hold 10% or greater direct or indirect interests in Telxius Cable Puerto Rico: (1) Telxius Cable América (100% equity and voting interests in Telxius Cable Puerto Rico), (2) Telxius Parent (100% equity and voting interests in Telxius Cable América); (3) Telefonica (70% equity and voting interests in Telxius Parent), in which no shareholder, as of February 1, 2022, holds an interest sufficient to give it a 10% or greater direct or indirect interest in Telxius Cable Puerto Rico at consummation; (4) Pontegadea (30% equity and voting interests in Telxius Parent and certain negative control rights), and (5) Mr. Amancio Ortega Gaona (99.99% equity and voting interests in Pontegadea). According to the Applicants, there will be no other 10% or greater direct or indirect interest holders in Telxius Cable Puerto Rico.

We grant the Petition to Adopt Conditions to Authorization and License (Petition) filed in this proceeding by the National Telecommunications and Information Administration, on behalf of the Committee for the Assessment of Foreign Participation in the United States Telecommunications Services Sector, on December 21, 2022. Accordingly, we condition grant of the Application on Telxius Cable Puerto Rico, Inc. and Telxius Cable USA, Inc. abiding by the commitments and undertakings set forth in the Letter of Agreement from Guillermo Cañete, President, Telxius Cable USA, Inc., and Guillermo Cañete, President, Telxius Cable Puerto Rico, Inc., to Chief, Foreign Investment Review Section (FIRS) and Deputy Chief, Compliance and Enforcement (FIRS), on behalf of the Assistant Attorney General for National Security, National Security Division, United States Department of Justice, dated December 9, 2022.

Copies of the Petition and the LOA are publicly available and may be viewed on the FCC website through International Bureau Filing System (IBFS) by searching for ITC-T/C-20220222-00030 and accessing "Other filings related to this application" from the Document Viewing area.

A failure to comply and/or remain in compliance with any of these commitments and undertakings shall constitute a failure to meet a condition of the transfer of control application and the underlying international section 214 authorization, ITC-214-20131121-00316, and thus grounds for declaring the cable landing licenses terminated without further action on the part of the Commission. Failure to meet a condition of the grant of the transfer of control application or the cable landing licenses may also result in monetary sanctions or other enforcement action by the Commission.

This authorization is without prejudice to the Commission's action in any other related pending proceedings.

Transfer of Control

Grant of Authority

Date of Action: 01/12/2023

Current Licensee: Telxius Cable USA, Inc.**FROM:** KKR & Co. Inc.**TO:** KKR & Co. Inc.

A notification was filed On June 2, 2022, Telxius Cable USA, Inc. (Telxius Cable USA), a Florida company that holds international section 214 authorizations (ITC-214-20080709-00314, ITC-214-20040518-00203), filed a notification of the pro forma transfer of control of negative control rights over Telxius Cable USA, effective May 31, 2022. Applicants filed a supplement on January 11, 2023.

Telxius Cable USA is a wholly owned subsidiary of Telxius Cable América, a Uruguay company, which is a wholly owned subsidiary of Telxius Telecom, S.A. (Telxius Parent), a Spanish company. Pontel Participaciones, S.L. (Pontel), a Spanish company, holds 60% equity and voting interests in Telxius Parent. Taurus Bidco S.à.r.l (Taurus Bidco), a Luxembourg company ultimately owned and controlled by KKR Management, a Delaware company, holds the remaining 40% equity and voting interests and certain negative control rights over Telxius Parent. The pro forma transaction did not affect the 60% interests in Telxius Parent held by Pontel.

The pro forma transfer of control was the result of an internal reorganization that brought about certain changes to the upper-tier corporate structure of KKR Group Co. Inc. (formerly KKR & Co. Inc.) (Old Pubco), which is now a wholly owned subsidiary of KKR & Co. Inc. (formerly KKR Aubergine Inc.) (New KKR Parent).

In Step 1 of the reorganization: (1) KKR Aubergine Merger Sub II LLC (Merger Sub II) merged with Old Pubco, with Old Pubco being the surviving company in the merger; (2) holders of common stock and Series C preferred stock in Old Pubco received the same number of shares and class of stock of New KKR Parent; (3) Series I Preferred Stock of Old Pubco held by KKR Management LLP was converted into Series I preferred stock of New KKR Parent having the same rights; and (4) Old Pubco, which was now a wholly owned subsidiary of New KKR Parent, changed its name to KKR Group Co. Inc.

In Step 2 of the reorganization: (1) KKR Holdings L.P. became a subsidiary of New KKR Parent through a merger with a newly formed subsidiary of New Pubco, KKR Aubergine Merger Sub I LLC (Merger Sub I), with KKR Holdings L.P. being the surviving company in the merger; (2) in connection with the merger of KKR Holdings L.P. and Merger Sub I, each limited partner of KKR Holdings L.P. received: (i) one share of common stock of New KKR Parent for each limited partner unit in KKR Holdings L.P. and (ii) such limited partner's proportionate share of newly issued 8.5 million shares of New KKR Parent common stock; (3) as a result of the merger: (i) KKR Holdings L.P. changed its name to KKR Group Holdings L.P.; (ii) KKR Group Holdings Corp. became the general partner of KKR Group Holdings L.P.; and (iii) Series II preferred stock in Old Pubco was cancelled; and (4) New KKR Parent transferred all of its limited partner interests in KKR Holdings L.P. to Old Pubco, and Old Pubco contributed the number of limited partner interests representing 1% ownership of KKR Holdings L.P. to KKR Group Holdings Corp. As a result of the mergers, New KKR Parent became the successor public company of the businesses of KKR and changed its name to KKR & Co. Inc.

KKR Management LLP, which controlled Old Pubco through its holding of the sole share of Series I Preferred Stock, now controls New KKR Parent through its holding of the company's sole share of Series I Preferred Stock, which, among other things, continues to give KKR Management LLP the power to elect the company's board of directors. Prior to and after the transaction, KKR Management LLP remained in ultimate control of Taurus Bidco S.à.r.l (Taurus Bidco), which holds 40.0% equity and voting interests in Telxius Parent and certain negative control rights. Telxius Cable USA remained under the de jure control of Telefónica, S.A. (Telefónica Parent).

(Taurus Midco), a Luxembourg entity (100% equity and voting interests in Taurus Bidco); (7) Taurus Topco S.à.r.l. (Taurus Topco), a Luxembourg entity (100% equity and voting interests in Taurus Midco); (8) KKR Taurus Aggregator L.P., a Canadian entity (100% equity and voting interests in Taurus Topco).

KKR Group Partnership L.P.'s equity interest in KKR Infrastructure II Limited is not a fixed percentage but is based on the investment returns allocable to KKR Associates Infrastructure II L.P. as the general partner of KKR Global Infrastructure Investors II L.P. KKR Group Partnership L.P. also holds 100% equity and voting interests in KKR Financial Holdings LLC); (8) KKR Group Holdings Corp., a Delaware entity (general partner of KKR Group Partnership L.P., in which it holds approximately 70% equity interests. Transfer of Control

Grant of Authority

Date of Action: 01/13/2023

Current Licensee: Northwest Missouri Cellular Limited Partnership

FROM: Northwest Missouri Cellular Limited Partnership

TO: ALLTEL Corporation

Northwest Missouri Cellular Limited Partnership d/b/a NorthwestCell (NWMC), a Delaware limited partnership that holds an international section 214 authorization (ITC-214-20010427-00255), filed an application seeking consent to the transfer of control of NWMC resulting from the conversion of limited partnership interests in NWMC held by Alltel Corporation (Alltel) into general partnership interests. Alltel currently holds 38.05% limited partnership interests in NWMC and no general partnership interests. The other partners of NWMC are Missouri Stateline Communications, Inc., an Iowa corporation (approx. 20.44% general partnership interest and 0.21% limited partnership interest); Rock Port Telephone Company, a Missouri company (approx. 20.45% general partnership interest and 0.21% limited partnership interest); and Grand River Communications, Inc., a Missouri corporation (approx. 20.44% general partnership interest and 0.21% limited partnership interest).

Prior to September 17, 2020, each of NWMC's four partners, including Alltel, held both general partnership and limited partnership interests. On that date, the partners amended the partnership agreement to convert the general partnership interest held by Alltel in NWMC to a limited partnership interest through a pro forma transfer of control. See ITC-T/C-20200922-00170, International Authorizations Granted, Report No. TEL-02049, Public Notice, 35 FCC Rcd 11513, 11514 (IB 2020). The partners now seek consent to return NWMC to its pre-2020 ownership, whereby Alltel will hold both general partnership and limited partnership interests in NWMC. Specifically, Alltel will hold approx. 23.39% general partnership interest and 14.66% limited partnership interest in NWMC. The proposed transaction will not change the interests held by the other partners.

Alltel, a Delaware corporation, is wholly owned by AirTouch Cellular Inc. (Airtouch), a California corporation. Airtouch is wholly owned by Verizon Americas LLC, which in turn is wholly owned by Verizon Communications, Inc. (Verizon), both Delaware corporations. No individual or entity holds a 10% or greater direct or indirect equity or voting interest in Verizon.

This authorization is without prejudice to the Commission's action in any other related pending proceedings.
