**FORFEITURE ORDER**

**Adopted: August 21, 2023**

**Released: August 21, 2023**

By the Chief, Video Division, Media Bureau:

**I. INTRODUCTION**

1. In this *Forfeiture Order*, we issue a monetary forfeiture in the amount of seven hundred and ninety two dollars (\$792) to Eureka County TV District (Licensee), licensee of K26JY-D, Duckwater, Nevada; K19IM-D, Duckwater, Nevada; K17NV-D, Eureka, Nevada; K16IZ-D, Eureka, Nevada; K23LF-D, Eureka, Nevada; K28LM-D, Eureka, Nevada; K35KM-D, Eureka, Nevada; and K14OB-D, Eureka, Nevada (Stations). We find that the Licensee willfully violated section 73.3539 of the Commission's rules (Rules) by failing to timely file a license renewal application for the Stations (Application).<sup>1</sup>

**II. BACKGROUND**

2. Section 73.3539(a) of the Rules requires that applications for renewal of license for broadcast stations must be filed "not later than the first day of the fourth full calendar month prior to the expiration date of the license sought to be renewed."<sup>2</sup> An application for renewal of the Stations' licenses should have been filed by June 1, 2022, the first day of the fourth full calendar month prior to the Stations' licenses expiration date of October 1, 2022.<sup>3</sup> The application was not filed until September 29, 2022. The Licensee provided no explanation for its untimely filing of the Application.

3. On March 27, 2023, we issued a *Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture (NAL)* proposing a forfeiture in the amount of twelve thousand dollars (\$12,000) to Licensee for its apparent violations of section 73.3539(a) of the Rules.<sup>4</sup> The *NAL* gave the

K26JY-D, K19IM-D, K17NV-D, K16IZ-D, K23LF-D, K28LM-D, K35KM-D, K14OB-D, are each digital television translators. In this case, as is permitted, the licensee filed for renewal of the of the licenses of the Stations in a single renewal application.

Licensee thirty days to pay the full amount of the proposed forfeiture, or file a written statement seeking reduction or cancellation of the proposed forfeiture.<sup>5</sup>

4. On April 13, 2023, the Licensee provided a response requesting reduction or cancellation of the proposed forfeiture based Licensee's claimed inability to pay it, indicating that the late filed renewals were the result of staff turnover.<sup>6</sup> The Licensee's response also noted that it served a sparsely populated rural area, covering "about 5,000 square miles while serving the approximately 2,000 residents."<sup>7</sup> On April 19, 2023, the Licensee supplemented its response with documentation that included financial documents for fiscal year 2022, and forecasts for fiscal years 2023 and 2024.<sup>8</sup> This amendment also notes that, as a special tax district under Nevada State law, the Licensee's only dedicated source of funds are annual assessments on local taxpayers.<sup>9</sup> On June 26, 2023, at the request of Bureau staff, the Licensee supplemented their request for relief with financial audits that included, among other things, the Licensee's revenues for fiscal years 2020, 2021, and 2022 in order to demonstrate that imposition of the proposed forfeiture would be excessive.<sup>10</sup>

### III. DISCUSSION

5. The forfeiture amount proposed in this case was assessed in accordance with section 503(b) of the Communications Act of 1934, as amended (Act),<sup>11</sup> section 1.80 of the Rules,<sup>12</sup> and the Commission's *Forfeiture Policy Statement*.<sup>13</sup> In assessing forfeitures, section 503(b)(2)(E) of the Act requires that we take into account the nature, circumstances, extent, and gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.<sup>14</sup>

6. As noted in the *NAL*, the Commission will not consider reducing or canceling a forfeiture in response to claimed inability to pay unless the respondent submits: (1) federal tax returns for the most recent three-year period; (2) financial statements prepared according to generally accepted accounting practices; or (3) some other reliable and objective documentation that accurately reflects the respondent's current financial status.<sup>15</sup> Any claim of inability to pay must specifically identify the basis for the claim

by reference to the financial documentation submitted.<sup>16</sup> In general, a licensee's gross revenues are the best indicator of its ability to pay a forfeiture. The Commission recognizes that, in some cases, other financial indicators, such as net losses, may also be relevant.<sup>17</sup> If gross revenues are sufficiently great, however, the mere fact that a business is operating at a loss does not by itself mean that it cannot afford to pay.<sup>18</sup>

7. Here, the Licensee provided financial documents to demonstrate that the proposed forfeiture of \$12,000 would constitute an excessive fine. In considering claims of financial hardship, the range of forfeitures that the Commission has deemed reasonable generally average about five percent of the violator's gross annual income and have not exceeded eight percent thereof,<sup>19</sup> although a forfeiture equal to five percent of gross revenues has been found to be excessive where a licensee operated at a significant loss.<sup>20</sup> Consistent with precedent and based on the financial documentation provided, the proposed forfeiture does not appear to be excessive and we are unwilling to cancel the forfeiture altogether. Instead, based on the Licensee's history of compliance and the unique facts and circumstances presented, notably the fact that the Stations are community translators serving rural areas that would otherwise have limited, if any, over-the-air television service, we find that a reduction in the total forfeiture amount to \$792 is appropriate for the violations involved in this case.<sup>21</sup> This amounts to \$99 per station.

8. Accordingly, we have considered Licensee's Response and the record of this case in light of the above statutory factors, our rules, and the *Forfeiture Policy Statement*. We find that Licensee willfully<sup>22</sup> violated section 73.3539(a) of the Rules.<sup>23</sup> However, for the reasons set forth above, we find that reducing the cumulative forfeiture to seven hundred and ninety two dollars (\$792) is warranted.
