WIRELINE COMPETITION BUREAU ANNOUNCES CERTAIN RDOF CENSUS BLOCK GROUPS ARE ELIGIBLE FOR OTHER FUNDING PROGRAMS

AU Docket No. 20-34
WC Docket No. 19-126
WC Docket No. 10-90

By this Public Notice, the Wireline Competition Bureau (WCB) announces that certain Rural Digital Opportunity Fund (RDOF) census block groups (CBG) are now eligible for other funding programs. Specifically, Charter Fiberlink – Michigan, LLC (Charter Fiberlink Michigan) (Study Area Code (SAC) 319053), Charter Fiberlink – Missouri, LLC (Charter Fiberlink Missouri) (SAC 429051), and Charter Fiberlink CCO, LLC (Charter Fiberlink CCO) (SAC 339064) (collectively Charter) have notified the Commission that they will not fulfill their commitment to offer voice and broadband service to certain CBGs within their RDOF supported service areas in Michigan, Missouri, and Wisconsin.¹ In addition, TCA Communications, LLC (TCA Communications) (SAC 409059), Cebridge Telecom KY, LLC (Cebridge Telecom KY) (SAC 269062), and Cebridge Telecom WV, LLC (Cebridge Telecom WV) (SAC 209040) (collectively, Altice) have notified the Commission of their decisions to withdraw from the RDOF support program in all the CBGs covered by their authorized winning bids in Arkansas, Kentucky, and West Virginia.² The carriers will be subject to penalties, as described below, for their defaults.

By announcing that 1) Charter will not serve the identified eligible census blocks within the defaulted CBGs in Michigan, Missouri, and Wisconsin and 2) Altice is defaulting on the eligible census blocks within the CBGs covered by all its authorized winning bids in Arkansas, Kentucky, and West Virginia,³ we notify stakeholders that the relevant census blocks are eligible for funding from other federal and state funding programs subject to the rules of the other programs, furthering our responsibility to coordinate with other agencies to maximize the deployment of high-quality broadband service across the United States.⁴ To promote the efficient use of broadband funding, a number of funding programs make areas ineligible for broadband deployment funding where a service provider is already subject to an enforceable commitment to serve.⁵ Our announcement avoids leaving these areas unserved for the

duration of the RDOF deployment terms,⁶ because providers may now have access to alternative funding to serve these areas.

These carriers remain subject to all eligible telecommunications carrier (ETC) obligations unless and until they follow the relevant procedures to relinquish their designations.⁷ Additionally, they cannot discontinue voice service without Commission approval.⁸

Charter. In Appendix A, we provide a list of all the RDOF eligible census blocks contained within the CBGs that Charter will not serve in Michigan, Missouri, and Wisconsin. In addition, we will also update the Broadband Funding Map to remove these census blocks from Charter's service area.⁹ Below, we provide a limited waiver of the Commission's non-compliance rules to adjust support to reflect that these areas will not be served. Charter otherwise remains subject to RDOF non-compliance measures for failure to meet the terms and conditions of support, including support recovery for all unserved locations at the end of the deployment term.¹⁰ We will continue to use the available tools to monitor Charter's compliance with the applicable deployment obligations in its remaining supported service area.¹¹

While Charter notified the Commission that it will not serve the identified census blocks, Charter is not withdrawing from RDOF. The RDOF support program rules do not provide for partial withdrawals from the program. The Commission takes compliance with the terms and conditions of its high-cost programs seriously and imposes non-compliance measures if the requirements are not met.¹² Charter remains subject to the program rules, including the applicable non-compliance measures,¹³ for the duration of the support term except as explained below, and remains committed to serve the eligible

That is, Capital Projects Fund grant funds must be used only for complementary purposes.").

census blocks within the remaining CBGs in its supported service area with voice and broadband service meeting program requirements.

On our own motion, we find good cause to waive in part sections 54.320(d) and 54.806(c)(1) of the Commission's rules for the census blocks identified in Appendix A consistent with precedent,¹⁴ and instruct USAC to stop paying support for the identified census blocks pursuant to section 54.320(c) of the Commission's rules.¹⁵ Generally, the Commission's rules may be waived for good cause shown.¹⁶ Waiver of the Commission's rules is appropriate only if both: (1) special circumstances warrant a deviation from the general rule, and (2) such deviation will serve the public interest.¹⁷

Despite our limited waiver, which is narrowly limited to stopping payments of future support for the identified census blocks, Charter otherwise remains subject to section 54.320(d) and 54.806(c)(1) of the Commission's rules.¹⁸ If Charter fails to meet its interim service milestones by not serving the required number of locations based on its original authorized location total, Charter will be placed in the associated non-compliance tier.¹⁹ If the applicable non-compliance tier requires that we withhold an amount of support that exceeds the amount of support we have stopped paying for the identified census blocks, we will withhold an amount of additional support that equals the difference between: 1) the amount of support required to be withheld pursuant to section 54.320(d)(1), and 2) the amount of support we stopped paying for the identified census blocks.²⁰ If the applicable non-compliance tier requires that we withhold less support than the amount of support we have stopped paying for the identified census blocks pursuant to our limited waiver, we will make no further adjustments to Charter's monthly disbursement, i.e., we will withhold no support other than the support we stopped paying for the

¹⁵ 47 CFR §§ 54.320(c), (d), 54.806(b), (c)(1). Section 54.320(c) of the Commission's rules states that support recipients that "fail to comply with public interest obligations or any other terms and conditions may be subject to further action, including . . . reductions in support amounts . . ." 47 CFR § 54.320(c). Future monthly support payments will be reduced pro rata based on the number of locations associated with the CBGs that the support recipient is defaulting on and calculated as follows, subject to any applicable non-compliance tiers: ((total monthly authorized support/total authorized locations) x (total authorized locations – defaulted locations)). Subject to support withholding pursuant to any applicable non-compliance tiers, Charter's monthly support for RDOF will be approximately \$169,396.15, in Michigan, \$332,217 in Missouri, and \$1,250,645.85 in Wisconsin.

¹⁹ 47 CFR §§ 54.320(d)(1), 54.806(c).

²⁰ *Id.* As a simplified example, if a carrier receiving \$100 per month in support is required to serve 100 locations and has indicated it will not serve eligible census blocks within CBGs covering 20 of those locations, we will reduce the carrier's ongoing monthly support by a pro rata amount to stop future payments for the defaulted census blocks so that the carrier is now receiving \$80 per month (i.e., the Commission will no longer pay the \$20 per month associated with the identified census blocks) (($\$100/100$) x (100-20) = \$80 a month). If the carrier is in non-compliance Tier 3 so that we are required to withhold 25% of support (i.e., \$25; .25 x \$100), we would withhold an extra \$5 a month so that we are not paying the carrier \$25 in total each month (i.e., \$20 for the defaulted census blocks + \$5 additional). If the carrier comes back into compliance so that it is entitled to have its support restored, we would only restore the additional monthly amount of support that we withheld (i.e., \$5 a month) and would not restore the \$20 we have stopped paying for the identified census blocks. 47 CFR § 54.320(d)(1)(iii).

identified census blocks.²¹ At the end of the deployment period, we will apply section 54.806(c)(1) to recover support for all unserved locations, including the locations covered by the identified census blocks.²² Any additional issues related to the support recovery required by section 54.320(c)(1) of the Commission's rules will be addressed in a separate release.²³

Altice. We consider Altice to have defaulted on its RDOF service milestones in Arkansas, Kentucky, and West Virginia. Altice will receive no further RDOF auction support payments,²⁴ and is subject to support recovery and non-compliance measures consistent with the Commission's rules.²⁵ We will also remove its RDOF service areas from the Broadband Funding Map.²⁶

-FCC-

²¹ Assuming the same simplified example as in the prior footnote, if the carrier is in non-compliance Tier 2 so that we are required to withhold 15% a month (i.e., \$15, .15 x \$100), we would not withhold any additional monthly support since we have already stopped paying the carrier \$20 a month for defaulted census blocks, and \$20 exceeds the \$15 we are required to withhold. 47 CFR § 54.320(d)(1)(ii).

²² 47 CFR § 54.806(c)(1).

²³ *Id.*

²⁴ See 47 CFR § 54.804(c)(4) ("Authorization to receive Rural Digital Opportunity Fund support is conditioned upon full and timely performance of all of the requirements set forth in this section, and any additional terms and conditions upon which the support was granted."). See also *Altice Authorization Public Notice*, 37 FCC Rcd at 9317-24 (providing a non-comprehensive summary of the RDOF requirements). After Altice notified WCB of its intent to withdraw from the RDOF support program, WCB instructed USAC to suspend Altice's RDOF support payments. 47 CFR §§ 54.320(c), 54.806(b).

²⁵ 47 CFR §§ 54.804(c)(4), 54.320, 54.806(c). Altice's decision to withdraw from the RDOF support program and not pursue further support constitutes notification that it will not meet the final service milestone and that it will not come into compliance after a 12-month grace period or at any point during the support term. If a support recipient does not repay the required support recovery amount within six months of receiving an invoice from USAC, the Bureau will authorize USAC to draw on the support recipient's letter of credit. *Id.* § 54.804(c)(4)(i). Carriers seeking relief from applicable support recovery measures have the option of submitting a request for waiver. *Id.* § 1.3.

²⁶ The census blocks covered by Altice's authorized winning bids are available on the "Results" tab of the Auction 904 website at <https://www.fcc.gov/auction/904> in the document "Historical Authorized Auction 904 Long-Form Applicants Data."
