## International Authorizations Granted

### Section 214 Applications (47 CFR §§ 63.18, 63.24); Section 310(b) Petitions (47 CFR § 1.5000)

By the Chief, Telecommunications and Analysis Division, Office of International Affairs:

The following applications have been granted pursuant to the Commission's processing procedures set forth in sections 63.12 and 63.20 of the Commission's rules. 47 CFR §§ 63.12, 63.20.

Unless otherwise noted, these grants authorize the applicants to: (1) become a facilities-based international common carrier subject to 47 CFR §§ 63.21, 63.22 and/or a resale-based international common carrier subject to 47 CFR §§ 63.21, 63.23; (2) assign or transfer control of international section 214 authority in accordance with 47 CFR § 63.24; or (3) exceed the foreign ownership benchmarks applicable to common carrier radio licensees under 47 U.S.C. § 310(b); see Subpart T of Part 1 of the Commission's rules, 47 CFR §§ 1.5000-5004.

THIS PUBLIC NOTICE SERVES AS EACH NEWLY AUTHORIZED CARRIER'S SECTION 214 CERTIFICATE. It contains general and specific conditions, which are set forth below. Newly authorized carriers should carefully review the terms and conditions of their authorizations. Failure to comply with general or specific conditions of an authorization, or with other relevant Commission rules and policies, could result in fines and forfeitures.

Petitions for reconsideration under section 1.106 or applications for review under section 1.115 of the Commission's rules, 47 CFR §§ 1.106, 1.115, in regard to the grant of any of these applications may be filed within 30 (thirty) days of this public notice. See 47 CFR § 1.4(b)(2).

Grant of Authority

Date of Action:      05/20/2024

**Current Licensee:**    Optivon, LLC

**FROM:**            Optivon, LLC

**TO:**                Codecom LLC

On May 10, 2024, Codecom LLC (Codecom), a Puerto Rico limited liability company, filed a notification of the pro forma assignment of an international section 214 authorization to provide global resale service (ITC-214-20090915-00418), from Optivon, LLC (Optivon) to Codecom, effective May 1, 2024. Prior to the transaction, Optivon was controlled by The Luis G. Romero Trust Agreement dated November 28, 2018 (Trust), a Florida entity, through a direct 46.15% ownership in Optivon and an indirect 46.43% ownership through Codecom, which at that time was wholly owned by the Trust. Luis G. Romero, a U.S. citizen, held ultimate control of Optivon and Codecom as the sole grantor and Trustee of the Trust.

In the first step of a corporate reorganization, on April 20, 2024, the Trust transferred a 22.22% ownership interest in Optivon to Codecom, increasing Codecom's interest in Optivon to a controlling 68.65%. In the second step, on May 1, 2024, the international 214 authorization (ITC-214-20090915-00418) was assigned from Optivon to Codecom. The Trust now holds a 92.58% direct interest in Codecom. Luis G. Romero continues to have ultimate control as the sole grantor and Trustee of the Trust.

Transfer of Control

Grant of Authority

Date of Action: 05/21/2024

**Current Licensee:** Claro Enterprise Solutions

**FROM:** America Movil S.A.B. de C.V.

**TO:** America Movil S.A.B. de C.V.

On September 28, 2023, Claro Enterprise Solutions, LLC (CES), a Delaware limited liability company that holds an international section 214 authorization for global facilities and resale service (ITC-214-20030312-00131), filed a notification of the pro forma transfer of control of CES, effective March 16, 2023. CES is an indirect wholly owned subsidiary of Telmex Holdings, LLC (Telmex Holdings), a Delaware limited liability company, and is indirectly owned and controlled by América Móvil, S.A.B. de C.V. (América Móvil), a Mexico entity. América Móvil is ultimately owned and controlled by Carlos Slim Helú and certain members of his immediate family (the "Slim Family"), all citizens of Mexico.

On March 16, 2023, América Móvil reclassified its separate classes of stock into a single class with equal voting rights. According to the Applicants, the reclassification did not affect the equity interests of the shareholders of América Móvil but did result in changes in their respective voting interests and reduced the voting interest of one of the Slim Family investment vehicles below 50%. Specifically, the stock reclassification resulted in the voting interest in América Móvil held by Trust No. F/0126 (Family Trust) decreasing from 51.7% to 28.1% to match the Family Trust's equity interest in América Móvil. The Trustee of the Family Trust is Banco Inbursa S.A., Institucion de Banca Multiple, Grupo Financiero Inbursa, Division Fiduciaria, (Trustee), a Mexico company. The Trustee holds no equity and/or voting interests in America Movil, and acts at the direction of the children of Carlos Slim Helú, who are the beneficiaries of the Family Trust.

According to the Applicants, the stock reclassification did not affect the Slim Family's overall equity and voting control of América Móvil. The Slim Family retains ultimate control of América Móvil, Telmex Holdings and CES, with 66.8% equity and voting interests in América Móvil.

## CONDITIONS APPLICABLE TO INTERNATIONAL SECTION 214 AUTHORIZATIONS

(1) These authorizations are subject to the Exclusion List for International Section 214 Authorizations, which identifies restrictions on providing service to particular countries or using particular facilities. The most recent Exclusion List is at the end of this Public Notice. The list applies to all U.S. international carriers, including those that have previously received global or limited global section 214 authority, whether by Public Notice or specific written order. Carriers are advised that the attached Exclusion List is subject to amendment at any time pursuant to the procedures set forth in Streamlining the International Section 214 Authorization Process and Tariff Requirements, IB Docket No. 95-118, 11 FCC Rcd 12884 (1996), para. 18. A copy of the current Exclusion List is maintained in the FCC Reference Information Center and is available at <https://www.fcc.gov/exclusion-list-international-section-214-authorizations>. It is also attached to each Public Notice that grants international Section 214 authority.

(2) The export of telecommunications services and related payments to countries that are subject to economic sanctions may be restricted. For information concerning current restrictions, call the Office of Foreign Assets Control, U.S. Department of the Treasury, (202) 622-2520.

(3) Carriers shall comply with the requirements of Section 63.11 of the Commission's rules, which requires notification by, and in certain circumstances prior notification by, U.S. carriers acquiring an affiliation with foreign carriers. A carrier that acquires an affiliation with a foreign carrier will be subject to possible reclassification as a dominant carrier on an affiliated route pursuant to the provisions of section 63.10 of the rules.

(4) A carrier may provide switched services over its authorized resold private lines in the circumstances specified in section 63.23(d) of the rules, 47 CFR § 63.23(d).

(5) Carriers shall comply with the "No Special Concessions" rule, section 63.14, 47 CFR § 63.14.

(6) Carriers regulated as dominant for the provision of a particular communications service on a particular route for any reason other than a foreign carrier affiliation under section 63.10 of the rules shall file tariffs pursuant to Section 203 of the Communications Act, as amended, 47 U.S.C. § 203, and Part 61 of the Commission's Rules, 47 CFR Part 61. Carriers shall not otherwise file tariffs except as permitted by section 61.19 of the rules, 47 C.F.R. § 61.19. Except as specified in section 20.15 with respect to commercial mobile radio service providers, carriers regulated as non-dominant, as defined in section 61.3, and providing detariffed international services pursuant to section 61.19, must comply with all applicable public disclosure and maintenance of information requirements in sections 42.10 and 42.11.

(7) International facilities-based service providers must file and maintain a list of U.S.-international routes on which they have direct termination arrangements with a foreign carrier. 47 CFR § 63.22(h). A new international facilities-based service provider or one without existing direct termination arrangements must file its list within thirty (30) days of entering into a direct termination arrangement(s) with a foreign carrier(s). Thereafter, international facilities-based service providers must update their lists within thirty (30) days after adding a termination arrangement for a new foreign destination or discontinuing an arrangement with a previously listed destination. See Process For The Filing Of Routes On Which International Service Providers Have Direct Termination Arrangements With A Foreign Carrier, ITC-MS-20181015-00182, Public Notice, 33 FCC Rcd 10008 (IB 2018).

(8) Any U.S. Carrier that owned or leased bare capacity on a submarine cable between the United States and any foreign point must file a Circuit Capacity Report to provide information about the submarine cable capacity it holds. 47 CFR § 43.82(a)(2). See <https://www.fcc.gov/circuit-capacity-data-us-international-submarine-cables>.

(9) Carriers should consult section 63.19 of the rules when contemplating a discontinuance, reduction or impairment of service.

(10) If any carrier is reselling service obtained pursuant to a contract with another carrier, the services obtained by contract shall be made generally available by the underlying carrier to similarly situated customers at the same terms, conditions and rates. 47 U.S.C. § 203.

(11) To the extent the applicant is, or is affiliated with, an incumbent independent local exchange carrier, as those terms are defined in section 64.1902 of the rules, it shall provide the authorized services in compliance with the requirements of section 64.1903.

(12) Except as otherwise ordered by the Commission, a carrier authorized here to provide facilities-based service that (i) is classified as dominant under section 63.10 of the rules for the provision of such service on a particular route and (ii) is

affiliated with a carrier that collects settlement payments for terminating U.S. international switched traffic at the foreign end of that route may not provide facilities-based switched service on that route unless the current rates the affiliate charges U.S. international carriers to terminate traffic are at or below the Commission's relevant benchmark adopted in International Settlement Rates, IB Docket No. 96-261, Report and Order, 12 FCC Rcd 19806 (1997). See also Report and Order on Reconsideration and Order Lifting Stay in IB Docket No. 96-261, FCC 99-124 (rel. June 11, 1999). For the purposes of this rule, "affiliated" and "foreign carrier" are defined in section 63.09.

(13) Carriers shall comply with the Communications Assistance for Law Enforcement Act (CALEA), see 47 CFR §§ 1.20000 et seq.

(14) Every carrier must designate an agent for service in the District of Columbia. see 47 U.S.C. § 413, 47 CFR §§ 1.47(h), 64.1195.

(15) Each carrier shall notify the Commission of any change in its contact information. Such notification shall be filed in the file number(s) for the international section 214 authorization(s) through the International Communications Filing System (ICFS).

#### Exclusion List for International Section 214 Authorizations

The following is a list of countries and facilities not covered by grant of global section 214 authority under section 63.18(e)(1) of the Commission's Rules, 47 CFR § 63.18(e)(1).
