

Federal Communications Commission
Enhanced A-CAM - Tentative Obligations and Support Amounts
December 8, 2025

Report Reference Number	Report
1.1	Enhanced A-CAM Support Amounts for Electing Carriers
1.2	Summary of Enhanced A-CAM Obligations
1.3	Enhanced A-CAM Study Areas by State and Provider ID

Please note:

- 1 This report relies on the A-CAM 2.6.0 Solution Set. A detailed description of the methodology used to calculate Enhanced A-CAM amounts is provided in the “Enhanced A-CAM Support Calculations Methodology and Data Sources,” available at <https://docs.fcc.gov/public/attachments/DOC-396476A1.pdf> (“Methodology and Data Sources”).
- 2 Table 1.1, Enhanced A-CAM Tentative Support Amounts, shows the annual support amount calculated pursuant to Enhanced A-CAM and the year-by-year support amount for each carrier. For electing carriers that currently receive CAF BLS, the year-by-year support amounts reflect the transition to Enhanced A-CAM pursuant to section 54.311(e),(f) of the Commission's rules. For electing carriers that currently receive glidepath support pursuant to their A-CAM I or II elections, Table 1.1 reflects the higher of their glide path support or Enhanced A-CAM support. For carriers with a change in annual support, amounts shown in Table 1.1 reflect the support adjustment process described in the Wireline Competition Bureau's order setting forth the support adjustment process, DA 25-1025
- 3 Table 1.2, Summary of Tentative Enhanced A-CAM Obligations, summarizes the obligations of Enhanced A-CAM-electing carriers. "Required locations" are locations within the carrier's study area that are currently without 100/20 Mbps or faster service or an enforceable commitment to deploy such service, to which the Enhanced A-CAM-electing carrier must deploy 100/20 Mbps or faster service by the end of 2028. "Carrier-served Locations" are locations to which the Enhanced A-CAM-electing carrier has reported providing 100/20 Mbps or faster service and to which the carrier must maintain or improve service. In addition, Table 1.2 shows the interim deployment milestones, in terms of the number of required locations that must be served.
- 4 Table 1.3, Enhanced A-CAM Study Areas by State and Provider ID, lists all study areas served by Enhanced A-CAM-electing companies.
- 5 These tables reflect the following adjustments to the Enhanced A-CAM Authorization Report 1.0 released on October 30, 2023, as corrected by an Errata in February 2024:
 - a) Reflect the transfer of control of Amelia Tel. Corp. (SAC 190217) and New Castle Tel. Co. (SAC 193029) from Telephone & Data Systems to Wilkes Telephone Membership Corporation on November 1, 2024.
 - b) Reflect the transfer of control of Delta County Tel. Co. (SAC 462184) and Strasburg Tel. Co. (SAC 462207) from Telephone & Data Systems to Elevate Internet and Eastern Slope Rural Telephone Association Inc., respectively, on July 2, 2025.
