The Region 54 Regional Planning Committee meetings are open to the public. All eligible public safety providers whose sole or principal purpose is to protect the safety of life, health, or property in the Southern Lake Michigan area may utilize these frequencies. It is essential that not only public safety, but all government, Tribal Nations, and non-governmental organizations eligible under Section 90.523 of the Commission's Rules be represented to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not conversant with telecommunications technology should ensure that their respective agencies are represented by suitably conversant staff.

All interested parties wishing to participate in the planning for the use of public safety spectrum in the 700 MHz and 800 MHz bands within Region 54 are encouraged to attend. For further information and Teams invitation, please contact Ned W. Jacklin via email at nedr54@sbcglobal.net.
