INFORMATIVE:

SCL-STA-20251209-00086 S250518 Edge Cable Holdings USA, LLC
Date filed: 2025-12-12
Special Temporary Authority

On December 16, 2025, we granted the request for special temporary authority (STA) filed by Edge Cable Holdings USA, LLC (“Edge USA”) to commence service on the Anjana cable system prior to the Commission’s grant of the pending cable landing license (SCL-LIC-20230429-00012) pending an agreement with the Committee for the Assessment of Foreign Participation in the United States Telecommunications Services Sector (“Committee” or “Team Telecom”) on final mitigation for the Anjana system. Pending the execution of such final mitigation, Edge USA and the Committee have entered into a Provisional National Security Agreement (Provisional NSA) to address the law enforcement and national security risks presented by Anjana’s operation. Edge USA therefore requests that the STA be granted conditioned upon compliance with the Provisional NSA.

Accordingly, we condition grant of this STA on Edge USA abiding by the commitments and undertakings contained in the Provisional NSA. A failure to comply and/or remain in compliance with any of these commitments and undertakings shall constitute a failure to meet a condition of this STA and thus grounds for cancelling this STA without further action on the part of the Commission. The failure to meet a condition of this STA may also result in monetary sanctions or other enforcement action by the Commission. A copy of the Provisional NSA is publicly available and may be viewed on the FCC website through the International Communications Filing System (ICFS) by searching for SCL-STA-20251209-00086 and selecting the “Attachments” tab.

Edge USA acknowledges that grant of the STA does not prejudice action by the Commission on the underlying application (SCL-LIC-20230429-00012). Edge USA further acknowledges that grant of the STA is subject to revocation/cancellation or modification by the Commission on its own motion without a hearing.

This STA expires on June 14, 2026.
