I hope this message finds you well. I am writing to inform you that Prospect Hill Academy will be withdrawing from participation in the FCC's Cybersecurity Pilot Program grant going forward. Due to uncertain future funding, we unfortunately do not have a qualifying opportunity for the grant at this time. Please let me know if there are any further details or steps we need to take to officially withdraw from the program.

While we are unable to participate at this time, we continue to recognize the critical importance of cybersecurity funding and hope that our withdrawal may provide another school with the opportunity to highlight the ongoing need for such vital support.

Thank you for your time and efforts in administering this program. We greatly appreciate your consideration.

Sincerely,

Chris Newcomb
