Subject: Withdrawal from E-rate Cybersecurity Pilot Program - [Application #CBR202502765-1]

Dear E-rate Cybersecurity Pilot Program Team,

Please accept this letter as formal notification of Winston-Salem/Forsyth County School Board of Education withdrawal from the E-rate Cybersecurity Pilot Program.

Our decision to withdraw is primarily due to unforeseen limitations in our current funding. While we remain highly committed to enhancing our cybersecurity posture and recognize the immense value of this pilot program, our budgetary constraints at this time prevent us from fully participating and meeting the program's requirements effectively.

We appreciate the opportunity to have been considered for this initiative and are grateful for the support and resources that have been made available. We hope to participate in future E-rate cybersecurity programs when our financial situation allows.

A copy of this letter will be uploaded to the ECFS filing portal along with our ECFS submission.

Thank you for your understanding.

Sincerely,
