To whom it may concern,

Early County School District, regrettably, feels the need to withdraw from the FCC Cybersecurity Pilot Program. Due, largely, to uncertain financial circumstances for the county, the district has deemed it most wise to not begin initiatives using funding from this pilot, which might not be sustainable after the completion of the pilot. In light of this, we request that you withdraw us from the program. We are grateful for the opportunity to participate in the pilot, are thankful for the initiative, and are hopeful that the pilot program would be a success.

Thank you,
Dustin White
