On May 12, 2021, San Isabel Telecom filed a voluntary petition for relief under Chapter 11 of Title 11 of the United States Bankruptcy Code, in the U.S. Bankruptcy Court for the District of Colorado (Case No. 21-11331-KHT) and began operating and managing its business as San Isabel Telecom, Inc. On November 30, 2021, the court entered an Order approving the sale of substantially all of the assets of San Isabel to Vero. The transaction closed on January 1, 2022, without prior Commission consent. Vero did not acquire the international section 214 authority to provide global resale service held by San Isabel (ITC-214-20060320-00162). According to the Applicants, San Isabel will surrender its international section 214 authorization after the Commission has acted on the application as amended.

Vero, a Delaware limited liability company, is a wholly owned subsidiary of Vero Broadband Holdings, Inc., a Colorado company, which in turn is a wholly owned subsidiary of VFN Holdings, Inc. (VFN), a Delaware corporation. The 10% or greater interest holders in VFN are: (1) NME 2014 Family Trust, a Colorado entity (15.213%). Meg Erikson is the trustee and Haley Erikson and Grace Erikson and the beneficiaries, all U.S. citizens, for the NME 2014 Family Trust. (2) Mathew R. Erickson, a U.S. citizen (10.706%). According to the Applicants, no other individuals or entities hold a 10% or greater direct or indirect ownership interest in Vero.

On August 13, 2025, we granted the request for special temporary authority filed by San Isabel related to this application. *See* ITC-STA-20220321-00047, International Authorizations Granted, Report No. TEL-02609, Public Notice, DA 25-715 (OIA Aug 14, 2025).

This authorization is without prejudice to the Commission's action in any other related pending proceedings.
