Assignment

Grant of Authority

**Current licensee:** T-Mobile USA, Inc.

T-Mobile USA, Inc.

Date of Action:

2026-02-04

On August 7, 2025, T-Mobile USA, Inc. (T-Mobile), a Washington corporation, filed a notification of the *pro forma* assignment of customers from United States Cellular Corporation Wireless Holdings, LLC (US Cellular), a wholly owned subsidiary of T-Mobile, to T-Mobile West LLC (T-Mobile West), T-Mobile Central LLC (T-Mobile Central), T-Mobile Northeast LLC (T-Mobile Northeast, and T-Mobile South LLC (T-Mobile South), all Delaware limited liability companies, effective August 1, 2025. The customers were acquired by T-Mobile from United States Cellular Corporation. *See Applications of T-Mobile Us, Inc. and United States Cellular Corporation*, GN Docket Bo, 24-286, Memorandum Opinion and Order, 40 FCC Rcd 4776 (WTB/OIA 2025). The customers were moved to T-Mobile West, T-Mobile Central, T-Mobile Northeast, and T-Mobile South based on the customer's location. US Cellular, T-Mobile West, T-Mobile Central, T-Mobile Northeast, and T-Mobile South are each wholly owned subsidiaries of T-Mobile and provide international service under T-Mobile's international Section 214 authorization (ITC-214-2001111600601), pursuant to Section 63.21(h) of the Commission's rules.

Verscom Inc.(Verscom), a Delaware corporation that holds an international section 214 authorization to provide global facilities-based and resale service (ITC-214-20050223-00074), filed an application for consent to the involuntary transfer of control of Verscom from Gokce Bilyay to his wife, Hidayet Didem Zapsu Bilyay (Zapsu Bilyay), upon the death of Gokce Bilyay on September 9, 2023. We granted Verscom special temporary authority (STA) to continue to provide international service to its customers at its own risk while the Commission considers the application. *See* ITC-STA-20240613-00104, ITC-STA-20250106-00001 and ITC-STA-20250626-00022.

Prior to his death, Gokce Bilyay held an 80% ownership interest in Verscom, and Emir Nil and Cihan Boztarla each held a 10% interest. Upon his death, Gokce Bilyay's interest in Verscom was inherited by his wife, Zapsu Bilyay, and their two minor children, all citizens of Turkey. According to the Applicants, under Turkish law, Zapsu Bilyay is the authorized representative of the children. As a consequence, Zapsu Bilyay controls 80% of the ownership interests in Verscom. Emir Nil and Cihan Boztarla, both citizens of Turkey, continue to each hold a 10% interest in Verscom. According to the Applicants, Emir Nil and Cihan Boztarla control all material aspects of Verscom's operations. Emir Nil is responsible for all of Verscom's corporate matters, including Verscom's day-to-day financial and business management-related operations. Cihan Boztarla manages Verscom's commercial operations.

Pursuant to Commission practice, the Application was referred to the relevant Executive Branch agencies for their views on any national security, law enforcement, foreign policy, or trade policy concerns related to the foreign ownership of the Applicants. On January 20, 2026, the National Telecommunications and Information Administration notified the Commission that the Committee for the Assessment of Foreign Participation in the United States Telecommunications Services Sector (Committee) "has reviewed the application and has no recommendation at this time to the Commission approving the application and no objection to the Commission granting it" and that the Committee "reserves the right to review any resulting authorization in the future to identify any additional or new risks to U.S. national security or law enforcement interests."

This authorization is without prejudice to the Commission's action in any other related pending proceedings.

## CONDITIONS APPLICABLE TO INTERNATIONAL SECTION 214 AUTHORIZATIONS

(1) These authorizations are subject to the Exclusion List for International Section 214 Authorizations, which identifies restrictions on providing service to particular countries or using particular facilities. The most recent Exclusion List is at the end of this Public Notice. The list applies to all U.S. international carriers, including those that have previously received global or limited global Section 214 authority, whether by Public Notice or specific written order. Carriers are advised that the attached Exclusion List is subject to amendment at any time pursuant to the procedures set forth in Streamlining the International Section 214 Authorization Process and Tariff Requirements, IB Docket No. 95-118, 11 FCC Rcd 12884 (1996), para. 18. A copy of the current Exclusion List is maintained in the FCC Reference Information Center and is available at <https://www.fcc.gov/exclusion-list-international-section-214-authorizations>. It is also attached to each Public Notice that grants international Section 214 authority.

(2) The export of telecommunications services and related payments to countries that are subject to economic sanctions may be restricted. For information concerning current restrictions, call the Office of Foreign Assets Control, U.S. Department of the Treasury, (202) 622-2520.

(3) Carriers shall comply with the requirements of Section 63.11 of the Commission's rules, which requires notification by, and in certain circumstances prior notification by, U.S. carriers acquiring an affiliation with foreign carriers. A carrier that acquires an affiliation with a foreign carrier will be subject to possible reclassification as a dominant carrier on an affiliated route pursuant to the provisions of Section 63.10 of the rules.

(4) A carrier may provide switched services over its authorized resold private lines in the circumstances specified in Section 63.23(d) of the rules, 47 CFR § 63.23(d).

(5) Carriers shall comply with the "No Special Concessions" rule, Section 63.14, 47 CFR § 63.14.

(6) Carriers regulated as dominant for the provision of a particular communications service on a particular route for any reason other than a foreign carrier affiliation under Section 63.10 of the rules shall file tariffs pursuant to Section 203 of the Communications Act, as amended, 47 U.S.C. § 203, and Part 61 of the Commission's Rules, 47 CFR Part 61. Carriers shall not otherwise file tariffs except as permitted by Section 61.19 of the rules, 47 C.F.R. § 61.19. Except as specified in Section 20.15 with respect to commercial mobile radio service providers, carriers regulated as non-dominant, as defined in Section 61.3, and providing detariffed international services pursuant to Section 61.19, must comply with all applicable public disclosure and maintenance of information requirements in Sections 42.10 and 42.11.

(7) International facilities-based service providers must file and maintain a list of U.S.-international routes on which they have direct termination arrangements with a foreign carrier. 47 CFR § 63.22(h). A new international facilities-based service provider or one without existing direct termination arrangements must file its list within thirty (30) days of entering into a direct termination arrangement(s) with a foreign carrier(s). Thereafter, international facilities-based service providers must update their lists within thirty (30) days after adding a termination arrangement for a new foreign destination or discontinuing an arrangement with a previously listed destination. See Process For The Filing Of Routes On Which International Service Providers Have Direct Termination Arrangements With A Foreign Carrier, ITC-MSC-20181015-00182, Public Notice, 33 FCC Rcd 10008 (IB 2018).

(11) To the extent the applicant is, or is affiliated with, an incumbent independent local exchange carrier, as those terms are defined in Section 64.1902 of the rules, it shall provide the authorized services in compliance with the requirements of Section 64.1903.

(12) Except as otherwise ordered by the Commission, a carrier authorized here to provide facilities-based service that (i) is classified as dominant under Section 63.10 of the rules for the provision of such service on a particular route and (ii) is affiliated with a carrier that collects settlement payments for terminating U.S. international switched traffic at the foreign end of that route may not provide facilities-based switched service on that route unless the current rates the affiliate charges U.S. international carriers to terminate traffic are at or below the Commission's relevant benchmark adopted in International Settlement Rates, IB Docket No. 96-261, Report and Order, 12 FCC Rcd 19806 (1997). See also Report and Order on Reconsideration and Order Lifting Stay in IB Docket No. 96-261, FCC 99-124 (rel. June 11, 1999).
