LOGIX COMMUNICATIONS, LP, ALPHEUS COMMUNICATIONS, LLC, AND ALPHEUS
DATA SERVICES, L.L.C. TO NEW LOGIX PARENT, LLC**

STREAMLINED PLEADING CYCLE ESTABLISHED

WC Docket No. 25-249

Comments Due: April 3, 2026

Reply Comments Due: April 10, 2026

By this Public Notice, the Wireline Competition Bureau seeks comment from interested parties on an application filed by Nathan “Tripp” Lane (Transferor), Logix Communications, LP (Logix Communications), Alpheus Communications, LLC (Alpheus Communications), and Alpheus Data Services, L.L.C. (ADS) (Logix Communications, Alpheus Communications, and ADS together, Licensees), and New LOGIX Parent, LLC (Transferee or New LOGIX Parent) (Transferor, Licensees, and Transferee, together, Applicants), pursuant to section 214(a) of the Communications Act of 1934, as amended, and section 63.04 of the Federal Communications Commission’s (FCC or Commission) rules,¹ requesting Commission consent for the indirect transfer of control of Licensees to Transferee.²

Mr. Lane, a U.S. and U.K. citizen, currently holds all of the outstanding and issued equity of New LOGIX Parent. Applicants state that Mr. Lane provides no telecommunications services and holds no FCC authorizations.³ Logix Communications, a Texas limited partnership, is a fiber focused, integrated

¹ See 47 U.S.C. § 214(a); 47 CFR § 63.04.

² Domestic Section 214 Application for the Transfer of Control of Logix Communications, LP, Alpheus Communications, LLC, and Alpheus Data Services, L.L.C. to New LOGIX Parent, LLC, WC Docket No. 25-249 (filed Feb. 17, 2026) (Application). Applicants state they also filed an application for the transfer of authorizations associated with international services. Any action on the Application is without prejudice to Commission action on other related, pending applications. On August 13, 2025, Applicants filed a previous joint application in this docket for consent to the transfer of control of Licensees from Transferor to Transferee in connection with the Step 2 Restructuring, pursuant to which a majority of the outstanding equity and voting interests in Transferee would be held by funds managed by UBS Asset Management (Americas) LLC, an entity ultimately owned and controlled by UBS AG, a Swiss entity. Domestic Section 214 Application for the Transfer of Control of Logix Communications, LP, Alpheus Communications, LLC, and Alpheus Data Services, L.L.C., WC Docket No. 25-249 (filed Aug. 13, 2025) (Initial Application). During the pendency of the Initial Application, the Applicants restructured the transaction so that there is no longer any disclosable foreign ownership interest in Transferee or Licensees upon consummation of the Step 2 Restructuring. Application at 2. For this reason, Applicants state that the Initial Application is now moot, and on February 17, 2026, they withdrew the Initial Application and separately filed the Application seeking consent to transfer control under the revised terms of the transaction. Application at 2-3; Letter from Steven A. Rowings, Counsel for Applicants, to Marlene H. Dortch, Secretary, FCC, WC Docket 25-249 (filed Feb. 17, 2026).

communications company that provides telephone, Internet, data, and cloud services.⁴ Alpheus, a Delaware limited liability company, and ADS, a Delaware limited liability company and wholly owned direct subsidiary of Alpheus Communications, are providers of telecommunications and data center services for enterprises and carriers throughout Texas.⁵ Licensees are currently owned and controlled by Mr. Lane.⁶

New LOGIX Parent, a Delaware limited liability company, was formed for the purpose of indirectly acquiring and owning Licensees pursuant to the proposed transaction.⁷ New LOGIX Parent is not affiliated with any other Commission-regulated telecommunications service provider, provides no telecommunications services itself, and holds no Commission authorizations.⁸ Following the proposed transaction, New LOGIX Parent will be ultimately owned and controlled by a group of trusts controlled by Trustees Brandon G. Lutnick, Kyle S. Lutnick, Casey J. Lutnick, and Ryan G. Lutnick, all of whom are U.S. citizens.⁹

Pursuant to the terms of the proposed transaction, New LOGIX Parent will acquire indirect control of Licensees.¹⁰ Specifically, the Applicants explain that following the Commission's prior consent to the first step of a two-step transaction for the comprehensive restructuring and refinancing of the funded indebtedness of Logix Holding Company, LLC,¹¹ an intermediate holding company that indirectly controls Licensees, this Application seeks consent to implement the second step of the proposed restructuring to enable the conversion of certain convertible loans into preferred and common equity interests in New LOGIX Parent.¹² This second step will thereby complete the full restructuring and result in a transfer of indirect control of the Licensees.¹³ The Applicants state that upon conversion of those loans, two funds managed by O'Connor Alternative Investments, LLC—Clover Zermatt O LLC and Clover Private Credit Opportunities Origination II LP, each Delaware-organized entities—will together hold a majority of the outstanding preferred and common equity interests in New LOGIX Parent, representing indirect interests in Licensees of approximately 90% voting and 94.7% equity.¹⁴

Applicants assert that a grant of the Application would serve the public interest, convenience, and necessity.¹⁵ We accept the Application for streamlined processing under section 63.03(b)(1)(ii) of the Commission's rules.¹⁶
