Released: April 7, 2026

## **PUBLIC SAFETY AND HOMELAND SECURITY BUREAU TO HOST A CYBERSECURITY WORKSHOP FOR TELECOMMUNICATIONS CARRIERS ON MAY 15, 2026**

By this Public Notice, the Public Safety and Homeland Security Bureau announces that the Commission will host a cybersecurity workshop for telecommunications carriers featuring speakers from the FCC, federal partners, and industry experts. The event will bring together public- and private-sector representatives to raise awareness of emerging cybersecurity risks, share and promote adoption of best practices, and highlight opportunities for public-private partnership on cybersecurity issues facing telecommunications carriers, including ransomware attacks and advanced persistent threats. Panelists and presenters will offer practical guidance to help executives and security leaders—particularly at small- and medium-sized carriers—to strengthen cybersecurity resilience and improve incident response across the telecommunications sector.

The workshop will start at 10:00am EDT on Friday, May 15, 2026. **Registration is free and is open to the public.** Members of the public may attend this event either in person at 45 L St NE, Washington, DC 20554 in the Commission Meeting Room, or remotely via livestream at [fcc.gov/live](http://fcc.gov/live). We request that both remote and in-person members of the public register in advance to attend the roundtable by using the following: <https://www.fcc.gov/form/public-safety-homeland-security>. For additional information about the workshop, please contact George Weber ([George.Weber@fcc.gov](mailto:George.Weber@fcc.gov)) or Zoe Li ([Zoe.Li@fcc.gov](mailto:Zoe.Li@fcc.gov)), Attorney Advisors in the Cybersecurity and Communications Reliability Division of the Public Safety and Homeland Security Bureau.

Reasonable accommodations for people with disabilities are available upon request. Requests for such accommodations should be submitted via e-mail to [fcc504@fcc.gov](mailto:fcc504@fcc.gov) or call the Consumer and Governmental Affairs Bureau at 202-418-0530 (voice). Such requests should include a detailed description of the accommodation needed. In addition, please include a way for the FCC to contact the requester if more information is needed to fill the request. Please allow at least five days' advance notice for accommodation requests; last-minute requests will be accepted but may not be possible to accommodate.
