## **Streamlined International Applications Accepted For Filing**

### **Section 214 Applications (47 CFR §§ 63.18, 63.24); Section 310(b) Petitions (47 CFR § 1.5000)**

Unless otherwise specified, the following procedures apply to the applications listed below:

The international section 214 applications listed below have been found, upon initial review, to be acceptable for filing and subject to the streamlined processing procedures set forth in section 63.12 of the Commission's rules. 47 CFR § 63.12. These applications are for authority under section 214 of the Communications Act, to transfer control of an authorized carrier or to assign a carrier's existing authorization; and/or (b) to become a facilities-based international common carrier; and/or (c) to become a resale-based international common carrier. 47 U.S.C. § 214(a).

Pursuant to section 63.12 of the rules, these applications will be granted 14 days after the date of this public notice (see 47 CFR § 1.4 regarding computation of time), and the applicant may commence operations on the 15th day, unless the Commission has informed the applicant in writing, within 14 days after the date of this public notice, that the application, on further examination, has been deemed ineligible for streamlined processing. Pursuant to Section 1.1910(b)(2) of the rules, action will be withheld on any application by any entity found to be delinquent in its debts to the Commission. Applicants should check the Red Light Display System's website at [www.fcc.gov/redlight](http://www.fcc.gov/redlight) to determine if they are delinquent in a debt to the Commission and for information on how to pay the debt. 47 CFR § 1.1910(b)(2).

Communications between outside parties and Commission staff concerning these applications are permitted subject to the Commission's rules for "permit-but-disclose proceedings." See 47 CFR § 1.1206. An application can be removed from streamlined processing only in the sound discretion of Commission staff. The filing of comments or a petition to deny will not necessarily result in an application being deemed ineligible for streamlined processing.

**People with Disabilities:** To request materials in accessible formats for people with disabilities (braille, large print, electronic files, audio format), send an e-mail to [fcc504@fcc.gov](mailto:fcc504@fcc.gov) or call the Consumer & Governmental Affairs Bureau at 202-418-0530 (voice). All applications listed are subject to further consideration and review, and may be returned and/or dismissed if not found to be in accordance with the Commission's rules, regulations, and other requirements.

We request that comments on any of these applications refer to the application file number shown below.

On February 17, 2026, Logix Communications, LP (Logix Communications), a Texas limited partnership that holds an international section 214 authorization for global facilities-based and resale service (ITC-214-19970409-00200), filed an application to transfer control of Logix Communications from Nathan “Tripp” Lane to New LOGIX Parent, LLC (New LOGIX Parent).

This transaction is the second step in a two-step process to restructure and refinance Logix Holding Company, LLC (Logix Holding), the parent of Logix Communications. The Commission reviewed the first step in a separate matter, which involved New Logix Parent acquiring control of Logix Holding, both Delaware limited liability companies. Nathan “Tripp” Lane, a U.S. and U.K. citizen, is the sole owner of New Logix Parent. See ITC-T/C-20250214-00023, *International Authorizations Granted*, Report No. TEL-02435, DA No. 25-278 (OIA Mar. 27, 2025).

In this second step, certain existing second-lien lenders will convert a portion of their loans for common and preferred equity in New Logix Parent. Upon conversion of those loans, two funds managed by O’Connor Alternative Investments, LLC (OCAI), a Delaware limited liability company, Clover Zermatt O LLC and Clover Private Credit Opportunities Origination II LLP will hold a controlling interest in New Logix Parent.

Post-consummation, Logix Communications will remain an indirect wholly owned subsidiary of Logix Holding. Logix Holding is the sole member of Logix GP, LLC, a Delaware limited liability company and the general partner of Logix Communications (1% equity and 100% voting interest in Logix Communications). Logix Holding also holds a direct 99% equity interest in Logix Communications. Logix Holding will remain a direct wholly owned subsidiary of New Logix Parent.

Upon conversion of the loans to common and preferred equity in New Logix Parent, three entities will own New Logix Parent: (1) Clover Zermatt O LLC (Clover Zermatt) (61.9% equity and 58.8% voting interests); (2) Clover Private Credit Opportunities Origination II LP (Clover Private) (32.8% equity and 31.2% voting interests); and (3) Astra Logix Midco LLC (Astra Midco) (5.3% equity and 10% voting interests), all Delaware entities. OCAI is the investment manager and holds 100% voting interests in both Clover Zermatt and Clover Private and thus will exercise control over New Logix Parent and Logix Communications.

OCAI is ultimately 100% owned by four trusts: KSL Management Trust; BGL Management Trust; CJK Management Trust; and RGL Management Trust, all of which are Nevada entities. The Trustees and trust beneficiaries are Brandon G. Lutnick, Kyle S. Lutnick, Casey J. Lutnick, and Ryan G. Lutnick, all of whom are U.S. citizens.

Astra Midco, a Delaware limited liability company, is wholly owned by Astra Partners I, LP. The general partner of Astra Partners I, LP is Astra Partners I GP, LLC (0% equity and 100% voting interests), both Delaware entities. The manager of Astra Partners I GP, LLC is Mark J. Johnson, a U.S. citizen (40% equity and 100% voting interests).

According to the Applicants, no other individual or entity will have a 10% or greater direct or indirect equity or voting interest in New Logix Parent or Logix Communications.

On February 17, 2026, Alpheus Communications, LLC (Alpheus Communications), a Delaware limited partnership that holds an international section 214 authorization for global facilities-based and resale service (ITC-214-20070420-00148), filed an application to transfer control of Alpheus Communications from Nathan “Tripp” Lane (Mr. Lane) to New LOGIX Parent, LLC (New LOGIX Parent). Alpheus Data Services, LLC (ADS), a direct wholly owned subsidiary of Alpheus Communications, provides international service under the authority held by Alpheus Communications (ITC-214-20070420-00148) pursuant to section 63.21(h) of the Commission’s rules. 47 CFR § 63.21(h).

This transaction is the second step in a two-step process to restructure and refinance Logix Holding Company, LLC (Logix Holding), the parent of Alpheus Communications and ADS. The Commission reviewed the first step in a separate matter, which involved New LOGIX Parent acquiring control of Logix Holding, both Delaware limited liability companies. Nathan “Tripp” Lane, a U.S. and U.K. citizen, is the sole owner of New Logix Parent. *See* ITC-T/C-20250214-00023, *International Authorizations Granted*, Report No. TEL-02435, DA No. 25-278 (OIA Mar. 27, 2025).
