NOTICE OF PROHIBITED PRESENTATION

WC DOCKET NO. 17-97 AND CG DOCKET NO. 17-59

Notice is hereby given that the Commission received, during the Sunshine Agenda period, a prohibited written presentation in WC Docket No. 17-97 and CG Docket No. 17-59 by the party listed in the attached Appendix.

With specified exceptions not applicable here, section 1.1203 of the Commission's Rules, 47 CFR § 1.1203, prohibits the making of any presentation to decision-making personnel concerning any matter listed on the Commission's Sunshine Agenda, from the day after the Sunshine Agenda is released until the Commission releases the text of a decision or order relating to that matter, or otherwise removes the item from the Sunshine Agenda.

The instant presentation addressed the merits of the above-referenced proceedings, which were included on the Commission's Sunshine Agenda by Public Notice released May 13, 2026, for consideration at the May 20, 2026 open Commission meeting. The Sunshine Agenda period for this item ended May 21, 2026, when the Commission released *Call Authentication Trust Anchor, Advanced Methods to Target and Eliminate Unlawful Robocalls*, WC Docket No. 17-97 and CG Docket No. 17-59, Further Notice of Proposed Rulemaking (May 21, 2026).

During the Sunshine Agenda period, parties seeking to file comments in these proceedings on the Commission's Electronic Comment Filing System (ECFS) were presented with a notice that stated, "Your filing may be subject to a prohibition at this time. It appears matter(s) in this docket are on the publicly released 'Sunshine Agenda' for the Commission's upcoming open meeting. FCC rules generally prohibit presentations concerning such matters at this time, subject to certain exceptions. For more information, you may visit the ECFS FAQ page." ECFS required the filer to manually close the notice to proceed, but it did not prevent filing.

Under section 1.1212(d) of the Commission's Rules, 47 CFR § 1.1212(d), presentations that are received during the Sunshine Agenda period and neither meet an exception provided by section 1.1204(a) of the Commission's Rules, 47 CFR § 1.1204(a), nor are covered by a Commission waiver, shall be associated with, but not made a part of, the record in the relevant proceeding. In accordance with this rule, the presentation listed in the attached Appendix will be associated with, but not made part of, the record in WC Docket No. 17-97 and CG Docket No. 17-59.

The full text of the presentation is available for public inspection and copying during regular business hours at the FCC Reference Information Center, 45 L Street, NE, Washington, DC 20554. The presentations may also be viewed in ECFS at <https://www.fcc.gov/ecfs/search/search-filings>.
