¹ The Region 14 planning area consists of the entire state of Indiana except the following Southern Lake Michigan Counties that are included in the Region 54 planning area: Lake, LaPorte, Jasper, Starke, St. Joseph, Porter, Newton, Pulaski, Marshall, and Elkhart Counties, Indiana.

- Old Business
 - Interoperability
 - Chairperson transition
- New Business
 - Recruiting Members
 - Recruiting a Secretary
 - Recruiting a Technical Director
 - For the Good of the Order
- Next Meeting Date: Thursday, September 17, 2026 at 10:30 am
- Adjourn

The Region 14 RPC meetings are open to the public. All public safety providers in Region 14 may utilize these 700 MHz and 800 MHz frequencies. It is essential that eligible public safety agencies in all areas of government, including state, municipality, county, and Tribal Nations be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in planning for the use of public safety spectrum in the 700 MHz and 800 MHz bands within Region 14 should plan to attend. Those wishing to participate can utilize Microsoft Teams and the following link to join the meeting:
