ENFORCEMENT BUREAU REMINDS MVPDS OF 2026 FCC FORM 396-C DEADLINE

Pursuant to section 76.77 of the Commission's rules, 47 CFR § 76.77, a multichannel video program distributor (MVPD) employment unit with six or more full-time employees must file an FCC Form 396-C, Multichannel Video Programming Distributor EEO Program Annual Report, by September 30 each year. By this Notice, we remind MVPDs of this recurring obligation. The Form 396-C must be submitted via the EEO filing portal in the Cable Operations and Licensing System (COALS), which can be accessed at <https://fccprod.servicenowservices.com/coals>.¹

Additionally, we identify in the following pages those employment units that must complete the Supplemental Investigation Sheet (SIS) of the Form 396-C this year. Moreover, Section I of the COALS Form 396-C, labeled "Supplemental Investigation Sheet", automatically displays a check mark for those filers that are required to submit the SIS. SIS filers should also take note of the following requirements:

- Part I: One job description must be provided for this category: Technicians
- Part II: Only questions 4, 5, and 6 must be answered.
- Part III: The employment unit's 2025 EEO Public File Report² covering the previous 12 months (2025-2026), must be attached.

Questions concerning the Form 396-C can be directed to EEO staff at EB-EEO@fcc.gov or (202) 418-1450. For technical assistance with COALS, please contact coals_help@fcc.gov and for help with CORES matters, direct questions to CORESHelp@fcc.gov.
