Special Temporary Authority

Grant of Authority

Date of Action: 2026-07-08

On July 8, 2026, we granted the request for Special Temporary Authority (STA) filed by Camelot Landing, LLC (Camelot) to continue the operation of the Yellow Cable System (SCL-LIC-19990913-00019, SCL-MOD-20020415-00026) while the Commission considers a renewal application for a new cable landing license for the Yellow Cable System (SCL-RWL-20251223-00099). Camelot's initial STA (SCL-STA-20251201-00081) expired on June 20, 2026.

Camelot acknowledges that the grant of the requested STA extension will not prejudice any action the Commission may take on the renewal application and that an STA can be modified or revoked by the Commission upon its own motion without a hearing. Camelot also acknowledges that the continued operation of the cable systems during the STA extension would remain subject to the conditions set forth in the existing cable landing license.

Action on this STA extension request is without prejudice to any enforcement action by the Commission for non-compliance with the Communications Act of 1934, as amended, or the Commission's rules.

The STA expires on January 4, 2027.

Submarine Cable Landing License

On July 1, 2026, the U.S. Department of Justice filed a letter stating that the Committee for the Assessment of Foreign Participation in the United States Telecommunications Services Sector ("Committee") "does not believe, based on available information, that a referral of this application to the Committee for review under Section 5 of Executive Order ("E.O.") 13913 is necessary." *See* Letter from Christopher R. Clements, Acting Chief, Foreign Investment Review Section, National Security Division, U.S. Department of Justice to Marlene H. Dortch, FCC, filed in SCL-LIC-20251121-00076 (July 1, 2026).

On July 7, 2026, the Commission referred the application to the Department of State (State) pursuant to the Submarine Cable Landing License Act of 1921 and Executive Order No. 10530. 47 U.S.C. §§ 34-39, Executive Order No. 10530 (reprinted as amended in 3 U.S.C. § 301). That referral began the 10-day State review process. The review process ends on July 17, 2026.
