

eTak Worldwide Corporation's Response to Letter of Inquiry File No. EB-SED-26-00041019

Preliminary statement

eTak Worldwide Corporation ("eTak") submits this response to the Federal Communications Commission Enforcement Bureau's Letter of Inquiry dated June 29, 2026.

eTak takes this inquiry seriously and has initiated a reasonable and diligent investigation of its records, including available customer and vendor records, emails, accounting records, invoices, warehouse records, inbound and outbound records, operational records, and communications with relevant personnel and third parties.

The investigation remains ongoing. eTak will supplement this response if it identifies additional responsive information or documents.

Response to Inquiry 1

Following a reasonable and diligent investigation of its records, eTak has not identified any past or present direct or indirect business relationship with Odyssey Robot LLC.

Specifically, eTak has not identified:

- any customer or vendor account maintained under the name Odyssey Robot LLC;
- any agreement or contract with Odyssey Robot LLC;
- any direct communication or correspondence with Odyssey Robot LLC;
- any invoice, payment, purchase order, quotation, financial commitment, or other business transaction involving Odyssey Robot LLC;
- any work order, project, or service performed for Odyssey Robot LLC; or
- any documentation indicating that eTak assembled, manufactured, refurbished, repaired, or otherwise performed services for Odyssey Robot LLC or on any Odyssey-branded devices.

Based on eTak's investigation to date, eTak has no affiliation, business relationship, contractual relationship, agency relationship, ownership interest, or other connection with Odyssey Robot LLC.

Response to Inquiry 2

During the Inquiry Period, eTak performed general device refurbishing & recycling services at its Grand Prairie, Texas facility.

eTak has not performed any assembly, and/or other services for Odyssey Robot LLC.

Following a reasonable investigation of its records, eTak has identified no information indicating that any devices processed by eTak were owned by, supplied by, manufactured for, or contracted through Odyssey Robot LLC.

eTak has no affiliation or business relationship with Odyssey Robot LLC.

Response to Inquiry 3

eTak has not undertaken any facility expansion specifically for Odyssey Robot LLC.

To the extent eTak has added general equipment, workstations, personnel, or operating procedures, those activities were for general business operations and were not related to Odyssey Robot LLC.

eTak has no current or planned facility expansion, personnel additions, equipment purchases, or operational changes related to Odyssey Robot LLC because eTak has no business relationship or affiliation with Odyssey Robot LLC.

Response to Inquiry 4

Following a reasonable investigation conducted to date, eTak has not identified any payment, invoice, financial commitment, and/or other financial transaction between eTak and Odyssey Robot LLC.

Accordingly, eTak has no responsive documents relating to financial transactions with Odyssey Robot LLC.

Response to Inquiry 5

Following a reasonable and diligent search of its records, eTak has not identified any agreement, communication, correspondence, contract, email, memorandum, or other document exchanged between eTak and Odyssey Robot LLC.

Accordingly, eTak has no responsive documents to produce for this request.

Declaration of Richard Lee

I, Richard Lee, declare as follows:

1. I am the President of eTak Worldwide Corporation and am authorized to make this declaration on behalf of the Company.
2. I have reviewed eTak Worldwide Corporation's response to the Federal Communications Commission's June 29, 2026 Letter of Inquiry in File No. EB-SED-26-00041019.
3. The response was prepared based on my personal knowledge and information obtained through a reasonable investigation of the Company's records and consultations with Company personnel and relevant third parties.
4. To the best of my knowledge, information, and belief, the information contained in the response is true, complete, and accurate as of the date of this declaration.
5. All responsive information currently identified and within the Company's possession, custody, or control has been produced or identified. The Company's investigation remains ongoing, and the Company will supplement its response if additional responsive information or documents are identified.
6. The documents produced are true and accurate copies of records maintained or received by the Company.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on July 13, 2026, in Grand Prairie, Texas.

Richard Lee

President

eTak Worldwide Corporation

7.13.2026.
