¹ *Implementation of Further Streamlining Measures for Domestic Section 214 Authorizations*, Report and Order, 17 FCC Rcd 5517, 5529, para. 22 (2002). On July 1, 2026, the U.S. Department of Justice, on behalf of the Committee for the Assessment of Foreign Participation in the United States Telecommunications Services Sector (Committee), filed a letter stating that a referral of the application to the Committee was not necessary, and in making this determination, considered among several factors, the applicants' commitment to abide by the May 22, 2026 Letter of Agreement (2026 LOA) and the applicants' request that the May 2026 LOA be made a condition of the license. Letter from Christopher R. Clements, U.S. Department of Justice, to Marlene H. Dortch, Secretary, FCC, WC Docket No. 26-56 (filed July 1, 2026). Consistent with the grant of a related international 214 application, and as requested by the applicants, we condition grant of the domestic application (WC Docket No. 26-56) on the applicants' continued compliance with the 2026 LOA. See International Authorization Granted Section 214 Applications (47 CFR §§ 63.18, 63.24); Section 310(b) Petitions (47 CFR § 1.5000), Report TEL-02661, Public Notice, DA 26-709 (OIA 2026); see also Letter from Matt S. DelNero et al., Counsel for Duncan Holdco LLC, and Ulises R. Pin, Counsel for DigitalBridge Group, Inc., to Marlene H. Dortch, Secretary, FCC, WC Docket No. 26-56 (filed June 26, 2026) (stating that the applicants commit to abide by the terms of the 2026 LOA). A failure to comply with and/or remain in compliance with this condition shall constitute a failure to meet a condition of this authorization and thus grounds for declaring this authorization terminated without further action on the part of the Commission. Failure to meet this condition may also result in monetary sanctions or other enforcement action by the Commission.
