NOTICE OF PROHIBITED PRESENTATION

GN DOCKET NOS. 25-59, 18-122

Notice is hereby given that the Commission received, during the Sunshine Agenda period, a prohibited written presentation in GN Docket Nos. 25-59 and 18-122, by the party listed in the attached Appendix.

With specified exceptions not applicable here, section 1.1203 of the Commission's Rules, 47 CFR § 1.1203, prohibits the making of any presentation to decision-making personnel concerning any matter listed on the Commission's Sunshine Agenda, from the day after the Sunshine Agenda is released until the Commission releases the text of a decision or order relating to that matter, or otherwise removes the item from the Sunshine Agenda.

The instant presentation addressed the merits of the above-referenced proceedings, which were included on the Commission's Sunshine Agenda by Public Notice released July 15, 2026, for consideration at the July 22, 2026 open Commission meeting. The Sunshine Agenda period for these items ended July 24, 2026, when the Commission released *Upper C-band (3.98–4.2 GHz); Expanding Flexible Use of the 3.7 to 4.2 GHz Band*, GN Docket Nos. 25-59, 18-122, Report & Order, Order of Proposed Modification, and Order on Reconsideration (July 24, 2026).

During the Sunshine Agenda period, parties seeking to file comments in proceedings on the Commission's Electronic Comment Filing System (ECFS) were presented with a notice that stated, "Your filing may be subject to a prohibition at this time. It appears matter(s) in this docket are on the publicly released 'Sunshine Agenda' for the Commission's upcoming open meeting. FCC rules generally prohibit presentations concerning such matters at this time, subject to certain exceptions. For more information, you may visit the ECFS FAQ page." ECFS required the filer to manually close the notice to proceed, but it did not prevent filing.

Under section 1.1212(d) of the Commission's Rules, 47 CFR § 1.1212(d), presentations that are received during the Sunshine Agenda period and neither meet an exception provided by section 1.1204(a) of the Commission's Rules, 47 CFR § 1.1204(a), nor are covered by a Commission waiver, shall be associated with, but not made a part of, the record in the relevant proceeding. In accordance with this rule, the presentation listed in the attached Appendix will be associated with, but not made part of, the record in GN Docket Nos. 25-59 and 18-122.

The full text of the presentation is available for public inspection and copying during regular business hours at the FCC Reference Information Center, 45 L Street, NE, Washington, DC 20554. The presentations may also be viewed in ECFS at <https://www.fcc.gov/ecfs/search/search-filings>.
