Applicants

Fiber Parent, the parent company of the Licensees, is a Delaware limited partnership that functions as a holding company and does not provide telecommunications services.[5] Fiber Parent is primarily owned and controlled by funds and entities associated with Oak Hill Capital Management (Oak Hill), a private equity fund based in the United States, but whose funds are organized in the Cayman Islands.[6] Applicants state that the equity in the Oak Hill Capital Management Funds is held through limited partnership interests held by numerous, primarily U.S.-based investors, including individuals, trusts, institutions and business entities, and control of these funds ultimately rests in U.S. entities or citizens.[7]

The Licensees each have a place of organization in the United States.[8] Collectively, the Licensees operate as "GoNetspeed" and provide telecommunications and other communications services across eleven states—Alabama, Connecticut, Maine, Massachusetts, Missouri, New Hampshire, New Jersey, New York, Rhode Island, Vermont, and West Virginia.[9] Certain Licensees are designated Eligible Telecommunications Carriers and receive the following high cost Universal Service Fund (USF) support: (1) Blountsville Telephone LLC, Brindlee Mountain LLC, Hopper Telecommunications LLC, Mid-Maine Telecom LLC, Ontario Telephone Company, Inc., Otelco Telephone LLC, Pine Tree Telephone LLC, Saco River Telephone LLC, Shoreham Telephone LLC, and Trumansburg Telephone Company, Inc. receive Enhanced Alternative Connect America Cost Model (E-ACAM); (2) CRC Communications LLC receives Connect America Fund Phase II support; and (3) Granby Telephone LLC and Otelco Mid-Missouri LLC receive ACAM Phase II support.[10]

Description of the Proposed Transaction

Go HoldCo is a Delaware limited liability company that, upon closing of the proposed transaction, will be a joint venture 50/50 controlled and co-managed by T-Mobile USA, Inc. (T-Mobile)[11]—through its subsidiary, TMUS Go JV Holdings LLC (TMUS Go JV)—and Oak Hill.[12] Post consummation of the proposed transaction, the board of directors of Go HoldCo will consist of two directors appointed by T-Mobile, two directors appointed by Oak Hill, and one independent director,[13] which will be designated by Oak Hill, upon consultation with, and the prior written consent of T-Mobile.[14] Applicants state that T-Mobile will hold 50% of Go HoldCo's voting membership interests and combined voting and non-voting membership interests, with Fiber Parent holding approximately 27%

According to the Applicants, as part of the proposed transaction, Finger Lakes, Netspeed Management, Ontario Telephone, and Trumansburg Telephone will be converted from corporations to limited liability companies controlled by Go HoldCo I.[16] The Applicants also intend to undertake a *pro forma* restructuring of the direct ownership of Finger Lakes shortly before or at the closing of the proposed transaction.[17]

As a result of the proposed transaction, Licensees will become wholly owned indirect subsidiaries of Go HoldCo, which will be jointly owned and controlled by Oak Hill and T-Mobile.[18]

<u>Statement of the Public Interest</u>

Applicants assert that a grant of the Application would serve the public interest, convenience, and necessity.[19] The Applicants do not request streamlined treatment for the domestic or international section 214 applications[20] pursuant to sections 63.04 and 63.18 of the Commission's rules.[21] Because the proposed transaction is more complex than those accepted for streamlined treatment, and in order to analyze whether the proposed transaction would serve the public interest, we accept the Application for non-streamlined processing.[22]

Upon consummation of the proposed transaction, the following entities will hold 10% or greater direct or indirect equity and/or voting interests in the Licensees and Go HoldCo:[23] (1) Otelco, LLC (Otelco) (100% direct equity and voting interest in certain Licensees);[24] (2) Otelco Parent LLC (Otelco Parent) (100% equity and voting interest in Otelco); (3) Future Fiber FinCo, LLC (FinCo) (100% direct equity and voting interest in Otelco Parent and certain Licensees);[25] (4) GO Warehouse, LLC (GO
