PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ANNOUNCES
REGION 12 (IDAHO) REGIONAL PLANNING COMMITTEES
TO HOLD 700 MHZ AND 800 MHZ MEETINGS

PS Docket No. 23-237 and WT Docket No. 02-378

The Region 12 (Idaho) 700 MHz and 800 MHz Regional Planning Committees (RPCs) will hold a joint 700 MHz and 800 MHz meeting on Monday, August 24, 2026, starting at 9:00 am. The meeting will be held at the Ada County Dispatch Center, 945 E. Pine Avenue, Meridian, Idaho, 83642. The Idaho State Radio Users Group (ISRUG) meeting will immediately follow.

The agenda for the 700 MHz/800 MHz RPC meeting includes:

- New Spectrum Requests
- License Modifications

The Region 12 RPC meetings are open to the public. All public safety providers in Region 12 may utilize these frequencies. It is essential that eligible public safety agencies in all areas of government, including state, municipality, county, and Tribal Nations be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in planning for the use of public safety spectrum in the 700 MHz and 800 MHz bands within Region 12 should plan to attend. Those wishing to participate remotely can utilize the meeting link and other information provided below to join the meeting.
