Unless otherwise specified, the following procedures apply to the applications listed below:

Pursuant to section 63.12 of the rules, these applications will be granted 14 days after the date of this public notice (see 47 CFR § 1.4 regarding computation of time), and the applicant may commence operations on the 15th day, unless the Commission has informed the applicant in writing, within 14 days after the date of this public notice, that the application, on further examination, has been deemed ineligible for streamlined processing. Pursuant to Section 1.1910(b)(2) of the rules, action will be withheld on any application by any entity found to be delinquent in its debts to the Commission. Applicants should check the Red Light Display System's website at www.fcc.gov/redlight to determine if they are delinquent in a debt to the Commission and for information on how to pay the debt. 47 CFR § 1.1910(b)(2).
