Report No. TEL-02676 **Thursday August 20, 2026**

International Authorizations Granted

Section 214 Applications (47 CFR §§ 63.18, 63.24); Section 310(b) Petitions (47 CFR § 1.5000)

The following applications have been granted pursuant to the Commission's processing procedures set forth in sections 63.12, 63.20 of the Commission's rules, 47 CFR §§ 63.12, 63.20, other provisions of the Commission's rules, or procedures set forth in an earlier public notice listing the applications as accepted for filing.

Unless otherwise noted, these grants authorize the applicants: (1) to become a facilities-based international common carrier subject to 47 CFR §§ 63.21, 63.22; and/or (2) to become a resale-based international common carrier subject to 47 CFR §§ 63.21, 63.23; (3) to assign or transfer control of international section 214 authority in accordance with 47 CFR § 63.24; or (4) to exceed the foreign ownership benchmarks applicable to common carrier radio licensees under 47 U.S.C. § 310(b); see Subpart T of Part 1 of the Commission's rules, 47 CFR §§ 1.5000-5004.

THIS PUBLIC NOTICE SERVES AS EACH NEWLY AUTHORIZED CARRIER'S SECTION 214 CERTIFICATE. It contains general and specific conditions, which are set forth below. Newly authorized carriers should carefully review the terms and conditions of their authorizations. Failure to comply with general or specific conditions of an authorization, or with other relevant Commission rules and policies, could result in fines and forfeitures.

Petitions for reconsideration under Section 1.106 or applications for review under Section 1.115 of the Commission's rules, 47 CFR §§ 1.106, 1.115, in regard to the grant of any of these applications may be filed within thirty days of this public notice (see 47 CFR § 1.4(b)(2)).

On February 24, 2026, TEO Communications, Inc. (TEO), a New York corporation that holds international section 214 authorization for global resale service (ITC-214-20200813-00155), filed a notification of the *pro forma* transfer of control of SDC Atlas AcquisitionCo, LLC, a Delaware limited liability company, to SDC Capital Partners GP, LLC, a Delaware limited liability company. A restructuring has introduced new intermediate entities in the chain of ownership of TEO, interposing a new intermediate ownership structure without any change to ultimate ownership and control of TEO.

The intra-company transaction interposed three entities between the ultimate owners of TEO (Todd Aaron and Douglas Kaden, both U.S. citizens, each with 50% voting interests in TEO) and SDC Digital Infrastructure III UGP, LLC, a Delaware limited liability company (less than 5% equity and 100% voting interest in TEO). Those three entities are SDC Capital Partners GP, LLC, a Delaware limited liability company, (0% equity and 100% voting interest in TEO), SDC Capital Partners GP Holdings Parent 2, LP, a Delaware limited partnership, (less than 5% equity and 100% voting interest in TEO) and SDC Capital Partners GP Holdings, LP, a Delaware limited partnership, (less than 5% equity and 100% voting interest in TEO). The restructuring was an entirely parent level event that did not result in any change to ultimate ownership and control of TEO.

TEO is wholly owned by Westelcom Communications, Inc., a New York corporation, which in turn is owned through a series of holding companies by SDC Atlas Holdings, LLC, a Delaware limited liability company (100% equity and voting interest in TEO). SDC Atlas Holdings, LLC, is indirectly owned and controlled by Todd Aaron (50% control of TEO) and Douglas Kaden (50% control of TEO). According to the Applicant, no other individuals or entities hold a 10% or greater ownership interest in TEO.

TO: Citizens Mutual Telephone Cooperative

Date of Action: 2026-08-14

On May 6, 2026, Van Buren Telephone Company, Inc. (VBT), an Iowa corporation, filed an application for transfer of control of its international section 214 authorization (ITC-214-20080707-00312) from VBT to Citizens Mutual Telephone Cooperative (CM Tech), an Iowa member-owned cooperative association. On July 27, 2026, VBT filed a supplement updating and clarifying its ownership information.

CM Tech has two wholly owned subsidiaries: Citizens HoCo, Inc. (Citizens HoCo), a corporation formed solely for purposes of the transaction, and Citizens Communication Company. Citizens HoCo and Citizens Communication Company are both Iowa corporations.

On January 28, 2026, VBT and CM Tech entered into an Agreement and Plan of Merger under which CM Tech will acquire all of VBT's outstanding shares of stock. Upon consummation of the transaction, CM Tech will directly hold 100% equity and voting interests in VBT and Citizens Communication Company. Citizens HoCo, Inc. will merge with and into VBT and cease to exist upon consummation of the transaction.

Post consummation, no other person or entity will hold 10% or greater direct or indirect equity or voting, interest in VBT or CM Tech.

By letter filed on August 18, 2026, the Applicant notified the Commission of its request to withdraw its application for the transfer of control of international section 214 authorization, ITC-214-20110412-00099.

Our grant of the applicant’s request to withdraw does not prejudice any enforcement action by the Commission for non-compliance with the Communications Act of 1934, as amended, or the Commission’s rules.

CONDITIONS APPLICABLE TO INTERNATIONAL SECTION 214 AUTHORIZATIONS

(1) These authorizations are subject to the Exclusion List for International Section 214 Authorizations, which identifies restrictions on providing service to particular countries or using particular facilities. The most recent Exclusion List is at the end of this Public Notice. The list applies to all U.S. international carriers, including those that have previously received global or limited global Section 214 authority, whether by Public Notice or specific written order. Carriers are advised that the attached Exclusion List is subject to amendment at any time pursuant to the procedures set forth in Streamlining the International Section 214 Authorization Process and Tariff Requirements, IB Docket No. 95-118, 11 FCC Rcd 12884 (1996), para. 18. A copy of the current Exclusion List is maintained in the FCC Reference Information Center and is available at https://www.fcc.gov/exclusion-list-international-section-214-authorizations. It

is also attached to each Public Notice that grants international Section 214 authority.

(2) The export of telecommunications services and related payments to countries that are subject to economic sanctions may be restricted. For information concerning current restrictions, call the Office of Foreign Assets Control, U.S. Department of the Treasury, (202) 622-2520.

(3) Carriers shall comply with the requirements of Section 63.11 of the Commission's rules, which requires notification by, and in certain circumstances prior notification by, U.S. carriers acquiring an affiliation with foreign carriers. A carrier that acquires an affiliation with a foreign carrier will be subject to possible reclassification as a dominant carrier on an affiliated route pursuant to the provisions of Section 63.10 of the rules.

(4) A carrier may provide switched services over its authorized resold private lines in the circumstances specified in Section 63.23(d) of the rules, 47 CFR § 63.23(d).

(5) Carriers shall comply with the "No Special Concessions" rule, Section 63.14, 47 CFR § 63.14.

(6) Carriers regulated as dominant for the provision of a particular communications service on a particular route for any reason other than a foreign carrier affiliation under Section 63.10 of the rules shall file tariffs pursuant to Section 203 of the Communications Act, as amended, 47 U.S.C. § 203, and Part 61 of the Commission's Rules, 47 CFR Part 61. Carriers shall not otherwise file tariffs except as permitted by Section 61.19 of the rules, 47 C.F.R. § 61.19. Except as specified in Section 20.15 with respect to commercial mobile radio service providers, carriers regulated as non-dominant, as defined in Section 61.3, and providing detariffed international services pursuant to Section 61.19, must comply with all applicable public disclosure and maintenance of information requirements in Sections 42.10 and 42.11.

(7) International facilities-based service providers must file and maintain a list of U.S.-international routes on which they have direct termination arrangements with a foreign carrier. 47 CFR § 63.22(h). A new international facilities-based service provider or one without existing direct termination arrangements must file its list within thirty (30) days of entering into a direct termination arrangement(s) with a foreign carrier(s). Thereafter, international facilities-based service providers must update their lists within thirty (30) days after adding a termination arrangement for a new foreign destination or discontinuing an arrangement with a previously listed destination. See Process For The Filing Of Routes On Which International Service Providers Have Direct Termination Arrangements With A Foreign Carrier, ITC-MSC-20181015-00182, Public Notice, 33 FCC Rcd 10008 (IB 2018).

(8) Any U.S. Carrier that owned or leased bare capacity on a submarine cable between the United States and any foreign point must file a Circuit Capacity Report to provide information about the submarine cable capacity it holds. 47 CFR § 43.82(a)(2). See https://www.fcc.gov/circuit-capacity-data-us-international-submarine-cables.

(9) Carriers should consult Section 63.19 of the rules when contemplating a discontinuance, reduction or impairment of service.

(10) If any carrier is reselling service obtained pursuant to a contract with another carrier, the services obtained by contract shall be made generally available by the underlying carrier to similarly situated customers at the same terms, conditions and rates. 47 U.S.C. § 203.

(11) To the extent the applicant is, or is affiliated with, an incumbent independent local exchange carrier, as those terms are defined in Section 64.1902 of the rules, it shall provide the authorized services in

compliance with the requirements of Section 64.1903.

(12) Except as otherwise ordered by the Commission, a carrier authorized here to provide facilities-based service that (i) is classified as dominant under Section 63.10 of the rules for the provision of such service on a particular route and (ii) is affiliated with a carrier that collects settlement payments for terminating U.S. international switched traffic at the foreign end of that route may not provide facilities-based switched service on that route unless the current rates the affiliate charges U.S. international carriers to terminate traffic are at or below the Commission's relevant benchmark adopted in International Settlement Rates, IB Docket No. 96-261, Report and Order, 12 FCC Rcd 19806 (1997). See also Report and Order on Reconsideration and Order Lifting Stay in IB Docket No. 96-261, FCC 99-124 (rel. June 11, 1999). For the purposes of this rule, "affiliated" and "foreign carrier" are defined in Section 63.09.

(13) Carriers shall comply with the Communications Assistance for Law Enforcement Act (CALEA), see 47 CFR §§ 1.20000 et seq.

(14) Every carrier must designate an agent for service in the District of Columbia. See 47 U.S.C. § 413, 47 CFR §§ 1.47(h), 64.1195.

Exclusion List for International Section 214 Authorizations

The following is a list of countries and facilities not covered by grant of global Section 214 authority under Section 63.18(e)(1) of the Commission's Rules, 47 CFR § 63.18(e)(1).
