The Public Safety and Homeland Security Bureau, in coordination with the Media Bureau, Office of International Affairs, Space Bureau, Wireless Telecommunications Bureau, and Wireline Competition Bureau, announces procedures to help communications service providers initiate, resume, and maintain operations in response to Hurricane Lowell. Bureau-specific guidance is provided below. For additional information, applicants should contact the appropriate Bureau-specific staff identified below.

Those seeking special temporary authority (STA) are reminded of the need to conform to the requirements of section 1.2002 of our rules implementing the Anti-Drug Abuse Act of 1988.¹ Specifically, requests shall include the following certification: “Neither the applicant nor any party to this application is subject to a denial of federal benefits that includes FCC benefits pursuant to section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862.” Presentations that directly relate to the emergency posed by Hurricane Lowell are exempt from the restrictions of the Commission’s *ex parte* rules, subject to the provisions of section 1.1204(a)(3) of those rules.²
