MM Docket No. 92-127

In the Matter of

Amendment of Section 73.202(b), RM-7917
Table of Allotments,
FM Broadcast Stations.
(Germantown, Tennessee)

NOTICE OF PROPOSED RULE MAKING

Adopted: June 10, 1992; Released: June 22, 1992

Comment Date: August 13, 1992
Reply Comment Date: August 28, 1992

By the Assistant Chief, Policy and Rules Division:

1. The Commission has before it the petition for rule making filed by Omni Broadcasting Corporation ("petitioner"), permittee of Channel 298A, Germantown, Tennessee, requesting the substitution of Channel 298C3 for Channel 298A at Germantown and modification of petitioner's authorization to specify operation on the higher powered channel. Petitioner states it will apply for the channel, if allotted. Petitioner filed a supplement to its petition for rule making.¹

2. We believe the public interest would be served by proposing the substitution of Channel 298C3 for Channel 298A, since it could provide the community with a wide coverage area FM service. Channel 298C3 can be allotted to Germantown in compliance with the Commission's minimum distance separation requirements with a site restriction of 18.6 kilometers (11.6 miles) southeast to accommodate petitioner's desired site.² As requested, we also propose to modify petitioner's authorization to specify operation on Channel 298C3. In accordance with Section 1.420(g) of the Commission's Rules, we will not accept competing expressions of interest in use of the channel at Germantown or require petitioner to demonstrate the availability of an additional equivalent class channel for use by such parties.

3. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before August 13, 1992, and reply comments on or before August 28, 1992, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.
