In the Matter of

Amendment of Section 73.606(b),  
Table of Allotments,  
Television Broadcast Stations.  
(Woodward, Oklahoma)

RM-8745

NOTICE OF PROPOSED RULE MAKING

Adopted: January 31, 1996; Released: March 12, 1996

Comment Date: May 3, 1996

Reply Comment Date: May 20, 1996

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Channel 35 Broadcasters ("petitioner") requesting the allotment of Channel 35 to Woodward, Oklahoma, as the community's second local and first commercial television service. Petitioner states that it will apply for the channel, if allotted.

2. Woodward (population 12,340), seat of Woodward County (population 18,976), is located in northwestern Oklahoma, approximately 200 kilometers (120 miles) northwest of Oklahoma City.<sup>1</sup>

Technical Summary

3. A staff engineering analysis of the proposal indicates that Channel 35 can be allotted to Woodward in compliance with the Commission's minimum distance separation requirements without the imposition of a site restriction.<sup>2</sup> The Commission has imposed a temporary freeze on new television allotments in certain metropolitan areas. However, the proposed allotment at Woodward is not affected by that action. See *Notice of Inquiry*, 2 FCC Rcd 2125 (1987) and *Order*, 52 FR 28346, July 29, 1987.

4. We believe petitioner's proposal warrants consideration since the allotment of Channel 35 to Woodward could provide the community with its first local commercial television service. Accordingly, we seek comments on the proposed amendment of the Television Table of Allotments, Section 73.606(b) of the Commission's Rules, for the community listed below, to read as follows:

City	Channel No.	
	Present	Proposed
Woodward, Oklahoma	*17-	*17-, 35+

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before May 3, 1996, and reply comments on or before May 20, 1996, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Kevin M. Walsh, Esq.

(Counsel to petitioner)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the Television Table of Allotments, Section 73.606(b) of the Commission's Rules. See *Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact Leslie K. Shapiro, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

<sup>1</sup> Population figures are taken from the 1990 U.S. Census.

<sup>2</sup> The coordinates for Channel 35 at Woodward are 36-26-12 North Latitude and 99-23-36 West Longitude.
