Adopted: July 29, 1996

Released: August 6, 1996

By the Chief, Consumer Protection and Competition Division, Cable Services Bureau:

1. On March 28, 1996, TCI Cablevision of East County, California ("TCI-EC"), the operator of a cable television system serving the County of Contra Costa, California ("County"), filed with the Commission an appeal of a local rate order adopted by the County on February 27, 1996. The rate order established TCI-EC's rates for basic cable service, equipment, installations and hourly service charges pursuant to the Cable Television Consumer Protection and Competition Act of 1992.¹

2. On April 12, 1996, TCI-EC filed with the Commission a motion to dismiss its earlier-filed appeal. No opposition to the motion to dismiss has been filed by the County. Therefore, TCI-EC's motion to dismiss its appeal is granted.

3. Accordingly, **IT IS ORDERED THAT TCI-EC's motion to dismiss its appeal of the rate order issued by the County of Contra Costa, California IS GRANTED and the appeal IS DISMISSED.**
