CABLE SERVICES BUREAU ANNOUNCES EXTENSION OF TIME TO FILE COMMENTS ON THE PROPOSED RESOLUTION FOR ADELPHIA COMMUNICATIONS CORPORATION

The Cable Services Bureau is extending the period for filing comments in *Adelphia Communications Corporation*, Resolution of Rate Complaints, Order, FCC 96-373 (released September 10, 1996) ("Order"). The Commission is seeking comment on the Proposed Resolution received from Adelphia Communications Corporation ("Adelphia") to resolve rate complaints in 40 communities served by Adelphia.

The Office of Cable Television ("OCTV") of the New Jersey Board of Public Utilities ("Board") filed a motion for an extension of time on September 27, 1996, requesting that the comment period on the Proposed Resolution be extended from October 10, 1996 to October 24, 1996 to enable the OCTV to examine the impact of the Proposed Resolution on affected subscribers in New Jersey communities and permit the Board to consider OCTV's analysis and recommendations. The OCTV states that Adelphia has consented to this request.

For good cause shown, the Bureau is extending the deadline for filing comments to October 24, 1996 and reply comments to November 8, 1996.

The *Order* and the attached Proposed Resolution are available for reference in the Cable Services Bureau's public reference room, Room 333, 2033 M Street, N.W., Washington, D.C. Copies are available from the Commission's copy contractor, International Transcription Services, Room 246 at the Federal Communications Commission, 1919 M Street, N.W., Washington, D.C., telephone (202) 857-3800.
