NOTICE OF PROPOSED RULE MAKING

Adopted: November 8, 1996

Released: November 15, 1996

Comment Date: January 6, 1997

Reply Date: January 21, 1997

By the Chief, Allocations Branch

1. Before the Commission for consideration is a petition for rule making filed by Big Country of Missouri ("Big Country") seeking the allotment of Channel 226A to Boonville, Missouri, as that community's second FM broadcast service.¹ Big Country submitted information in support of the proposal and stated its intention to file an application for Channel 226A if the channel is allotted to Boonville.
2. We believe petitioner's proposal warrants consideration. Channel 226A can be allotted to Boonville in compliance with the Commission's spacing requirements provided there is a site restriction 11.9 kilometers (7.4 miles) east of the community.² The site restriction will prevent a short spacing to Station KMXV, Channel 227C, Kansas City, Missouri.
3. In view of the fact that the proposed allotment would provide a second local FM service to Boonville, Missouri, the Commission believes it would serve the public interest to propose amending the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

¹ The Report and Order in MM Docket No. 95-73 granted a request filed by Big Country of Missouri to substitute Channel 230C3 for Channel 230A at Boonville and reallocate the channel to Fayette, Missouri. See 10 FCC Rcd 9936 (1995).

² The coordinates for Channel 226A at Boonville are 38-58-00 and 92-35-54.

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before **January 6, 1997**, and reply comments on or before **January 21, 1997**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D. C., 20554. Additionally, a copy of such comments should be served on the petitioner, as follows:

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding contact Kathleen Scheuerle, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon other parties to the proceeding unless the Commission specifically waives this service requirement.

Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in this proceeding.
