## **OBSOLETES FCC FORM 574**

Effective March 1, 2000, FCC Form 574 is obsolete and will no longer be accepted for filing. This form was previously used by Part 95 applicants in the General Mobile Radio Service (GMRS) and the 218-219 MHz Service (formerly known as the Interactive Video Data Service or IVDS).

GMRS was converted to the Universal Licensing System (ULS) on April 19, 1999. Effective August 12, 1999, GMRS applicants must file FCC Form 605 for all licensing activity. See Public Notice DA 99-653 released October 15, 1999 for further information, or visit the Commission's ULS website at <http://www.fcc.gov/wtb/uls>.

218-219 MHz Service applicants should use FCC Form 600 in lieu of FCC Form 574. The two-letter radio service code for the 218-219 MHz Service is "ZV". Filings in this service submitted on FCC Form 574 on or after March 1, 2000 will be dismissed.

FCC forms may be obtained from the Forms Distribution Center by calling 1-800-418-FORM (3676); from fax-on-demand by dialing (202) 418-0177 from the handset of a fax machine; or downloaded from the FCC's website at <http://www.fcc.gov/formpage.html>.

Further questions concerning this notice may be directed to the FCC's Consumer Center in Gettysburg, PA by calling 1-888-CALLFCC (1-888-225-5322).
