RELEASED: May 9, 2000

## **COMMISSION ANNOUNCES NEW WEBSITE ON EEO RULES**

The Commission has created a new page on its website containing information on the Commission's new Equal Employment Opportunity ("EEO") rules adopted on January 20, 2000. This website is located at <http://www.fcc.gov/mmb/eo>. The new EEO rules reaffirm the Commission's long-standing anti-discrimination rule and emphasize broad outreach to all qualified job candidates for positions at radio and television stations and cable companies.

The site contains a summary of the Commission's new EEO requirements and a list of frequently asked questions. The site also includes links to comments, previous orders and other documents in the EEO proceeding. The site also contains links to the Commission's new EEO forms.

For further information, please contact Kathy Harvey at (202) 418-1450.
